**CONSENT MOTION TO CONTINUE PRETRIAL MOTIONS DEADLINE**

On January 26, 2022, the Court set a Pretrial Motions deadline of February 11, 2022, in the above-captioned matter. On February 10, 2022, the government filed its latest Discovery Status Report in which it advised that: “Upon this filing, the government intends to consult with defense counsel in this case about how this status report may impact the parties’ readiness to proceed with the trial currently scheduled for April 19, 2022, in light of the time frames set forth above.” Discovery Status Report at 21-22 (Feb. 10, 2022) (ECF No. 620). So as to permit defense counsel and the government to engage in substantive discussions concerning the status of discovery in this matter and the feasibility of the April 19, 2022, trial date, the parties jointly request a brief extension of the time within which to file their pretrial motions until Tuesday, February 15, 2022.
