Summary

Richard Barnett commented on a post from December 30, 2020. `It's going to be wall to wall. Avoid the middle of the crowd. Once you have your bearings and a good location plan at least a rough escape route. Be prepared to defend yourself if needed. Stun guns are legal as is pepper spray. Look it up. Anything else you carry is your business. Some Hotels and businesses are closing. Carry the correct supplies including non perishable food. Fill your gas tank back up as soon as you get close to your destination. I'm going a couple days early. Of I see anything out of the ordinary I'll update.`

Summary Richard Barnett commented on a post from December 30, 2020. `Just another distraction. Cashing stimulus is another of their ways of committing you to the lockdowns thereby committing you to the take over of our country. Baby steps to communism. Their plan works because we let it. We focus on the little distractions until we are overwhelmed.`

Summary Richard Barnett commented on a post from December 30, 2020. `I tried to recruit also. Not many seem to care. Just hoping it will get majically better I guess. Let others do all the work. They seem to prefer eventually not having a paycheck to missing a couple days work. Cause that's somewhere down the road and therefore not important...`

Status I'll be in DC. I can understand most can't make that trip. But many can day trip to Little Rock. This is OUR COUNTRY!!! Can you give one day from the internet or work or whatever to be active? Go to Little Rock!!! And if you can sacrifice something to go to DC by all means do that!!! I'm going to share something with you guys. The majority of the rallies, fundraisers and protests I have been to it's been the same patriotic, give a damn small handful over and over. Each time I've had to hold back tears of sadness and anger. Get the fuck up people. Please STAND!!! 🇺🇸🇺🇸🇺🇸🇺🇸 If not now, when? Bigo
