**NOTICE CONFIRMING REVIEW OF SCHEDULING ORDER**

I have reviewed the existing schedule and I have availability to handle this matter notwithstanding my other commitments. While I do have multiple other trials scheduled for October, those are single-defendant trials for which either (i) I will obtain a continuance since they present less of a scheduling conflict due to the multiple parties and counsel involved in this case or, alternatively (ii) I have recently associated with counsel admitted in this Court who will be able to substitute in to handle those matters if necessary. In addition, my law firm partner Roger Root's admission to this Court is pending, and assuming he is admitted he will also be able to assist in handling those matters if necessary.

Date: June 28, 2023

Respectfully Submitted,
