Mike Pence @VP @Mike_Pence should resign immediately unless he publicly states that he will reject electors from states where fraud occurred.

A man of God would NEVER certify a lie.

Every lie will be revealed. Every lie means every lie. Always has. Always will.

MURIEL BOWSER
MAYOR

December 31, 2020

Major General William J. Walker
Commanding General
District of Columbia National Guard
2001 East Capitol Street, SE
Washington, DC 20003

Dear Major General Walker:

As you know, First Amendment demonstrations permitted by the National Park Service are scheduled to occur in the District of Columbia on Tuesday, January 5, 2021 and Wednesday, January 6, 2021. As a result, District Government requests DC National Guard (DCNG) support, as these demonstrations will follow similar events on November 14, 2020 and December 12, 2020, which resulted in a large influx of participants, violence and criminal activity.

The District of Columbia is requesting personnel from the DCNG. Further, DCNG will support operations for both the Metropolitan Police Department and the DC Fire and Emergency Medical Services. Finally, no DCNG personnel shall be armed during this mission, and at no time, will DCNG personnel or assets be engaged in domestic surveillance, searches, or seizures of US persons.

Director Christopher Rodriguez of the District's Homeland Security and Emergency Management Agency will provide the requirements of and more details related to the mission. I request that you immediately connect with Director Rodriguez to discuss this critical request. Thank you for your immediate assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "Muriel Bowser".

Muriel Bowser
Mayor
