Subject: FW: AUSA and DEFENSE Capitol Tours, Saturday, May 14

Capitol crime scene walkthroughs are planned for **Saturday, May 14, 2022**, for AUSAs and FBI (9-11 a.m.) and for defense counsel (1-3 p.m.). There are no further crime scene walkthroughs planned at this time and we do not know when another date will be available. These dates are very hard to get because of the coordination required through the entire of the U.S. Capitol. Accordingly, please emphasize to defense counsel that they should make every effort to attend at this time. And of course, you should make every effort to attend as well.

Defense walkthroughs

Please send defense counsel in all your Capitol Siege cases the attached letter and the attachment to the letter.

Information about the tour:
