

Dear Clerk,

I received from the clerks office returned documents, it appears as though your office construed my documents as me attempting to file a 2241 and or civil complaint.

However, what I filed was a Motion for compassionate release the, documents with it, were meant to be exhibits, specifically the 2241; and supporting documents are exhibits in support of my compassionate release.

I have seperated my motions for compassionate release, and motion for counsel in support of my compassionate release, please file them as such.

I have stapled together the remaining documents with a cover sheet stating that these are Exhibits in support of MY MOTION FOR COMPASSIONATE RELEASE.

I appologize for any confusion and ask, that my motions be docketed as such and treated in an emergency fashion by the court.

Respectfully Scott

Request for Emergency Consideration

SCOTT FAIRLAMB

EMERGENCY MOTION FOR A SENTENCE REDUCTION  
PURSUANT TO 18 U.S.C. 3582(c)(1)(A)

Now comes the movant, Scott Fairlamb, pro se, respectfully requesting this Honorable Court reduce his sentence to time served. As further explained, the Bureau of Prisons, have failed to properly execute his sentence, specifically, they have improperly applied the FSA denying Fairlamb of 180 days of Earned Time credits, and they have also improperly applied the governing provisions and policies concerning his RRC placement, depriving him of the recommended and approved 12 month RRC placement period that was approved at the institution level. A denial based solely on the fact Fairlamb is prescribed a self carry medication.

BOP's failures have substantially, and improperly altered the execution of his sentence, these failures have caused his sentence, to become more punitive than this court intended, and this constitutes Extraordinary and Compelling Reasons. [ Attached is a copy of Fairlamb's 2241, where he seeks redress on these issue's, however the facts also support relief from this court, and under Section 3582, this court can take direct, and swift action to remedy the sentence back to complying with 18 USC 3553(a) to be sufficient but NOT GREATER THAN NECESSARY, as it is more than likely the Habeas process will eventually provide him relief, it will likely not be provided swiftly enough.] Fairlamb moves to expressly incorporate his 2241 pleadings and all the exhibits in support of this request.

Fairlamb asserts, this request, is a sentence reduction in the technical sense, Fairlamb's requested relief would not result in a true reduction in his sentence, because Fairlamb's primary relief sought from the court is to (1) reduce the sentence to time served;(2) add the period of community confinement he would of otherwise received from the BOP. This would essentially, not change the length of his sentence, it would instead provide narrow relief, to provide Fairlamb proper execution of his sentence, and critical access to RRC placement. Alternatively, and also warranted Fairlamb does ask the court to consider the loss of 180 days of ETC's, and to consider and order of immediate release, without an added

period of community confinement, and allow him to start his supervision upon his immediate release, but minimally provide him the Community confinement period BOP has unjustly deprived him of.

This circuit has recognized that an inmate can set forth any and all reasons in support of his request for a sentence reduction, and where one factor by itself may not rise to Extraordinary and Compelling Reasons, the court must take the factors within the cumulative, here Fairlamb asserts, that the combined reasons of, BOP's failure to properly calculate and apply 180 days of Earned Time Credits, their erroneous denial of his institutional level approved 12 months period of RRC placement, his exceptional post sentencing rehabilitation, and the harsh conditions he has endured through his incarceration, when combined warrant a finding of Extraordinary and Compelling Reasons. See *United States v. Brooker*, (2nd Cir. 2020 S.D.N.Y.) and *United States v. McCoy*, 4th Cir. App. 2021. 4th Cir. Appellate Court

Provided within the 2241 documents, shows Fairlamb's First Step Act classification has been mishandled since his arrival into BOP custody, from his initial issue which was explained that his offense of conviction was "mis-coded" to the later erroneous nationwide issue of being in REFUSE status, to the last basis, of his current REFUSE status coming from the fact he VOLUNTEERED for an RDAP screening, and was subsequently found not to qualify for the program, and staff carelessly placing him in REFUSE status instead of the correct categorization of NOT INTERESTED.

Fairlamb, presents a claim that hovers in the realm of "FIRST IMPRESSION" he provides a case from the District of New Hampshire, *United States v. Joshua Fields*, (District of New Hampshire 2020), which provided that BOP's failure to properly execute Fields sentence, led to the deprivation of necessary programming and rehabilitation, and made the sentence far more punitive than what the court expected or intended to happen. Like Fields, Fairlamb is being deprived a critical program from the BOP, probably the most critical program, his RRC placement, and he is essentially being deprived of 180 days of ETC's, which is the equivalent to the BOP adding 180 days to the court's sentence. The Unit team being fully aware that BOP was depriving Fairlamb his ETC's, sought to provide Fairlamb a full 12 months RRC period to try and make-up for the FSA fiasco. The Fields court noted that BOP's error deprived Fields of being able to participate in a rehabilitative program, which also would have reduced his sentence (Namely RDAP) while Fairlamb's situation is not over RDAP, his situation is akin to it, as Fairlamb is being deprived a program Namely RRC placement, because of BOP's failure equally Fairlamb's sentence is now not only longer than it should be, and lacking a critical program, and benefit of the RRC program to less restrictive conditions, it also Violates 18 USC 3553(a) subsection D, which requires that Fairlamb receive the necessary rehabilitation, vocational, and medical care, in the most effective manner. Here this is certainly "NOT THE MOST EFFECTIVE MANNER" in fact it's a complete deprivation of a critical program.

Fairlamb's situation is also clearly identified in the pending changes set forth by the United States Sentencing

Commission, where one provision provides, a reduction is warranted, when "subsequent to the defendants original sentencing, his circumstances have changed, to where requiring him to serve the entire original sentence would be inequitable. There is no doubt here that is squarely the case.

Furthermore, courts have recognized the harsh conditions of confinement, and one's post sentencing conduct must be considered in the cumulative, and support a sentence reduction. See *United States v. Vargas*, No. 88-cr-325 (2020 SDNY) and see also *United States v. Rodriguez*, F. Supp 3d 306 (SDNY 2020) Fairlamb has completed or is waiting to complete over a dozen programs, he is infraction free, he is a model prisoner, and when combining these factors with the deprivation of his 180 days of FSA Earned Time Credits, and the improper denial of RRC placement in it's entirety, it warrants a finding of Extraordinary and Compelling Reason. See *United States v. Brooker*, 976 F. 3d @ 228-232 (2d Cir., 2020) This circuit also recognizes, that courts should take a Holistic approach to a request for a sentence reduction, see *United States v. Trenkler*, 2021 U.S. Dist. LEXIS 87567, where on appeal the First Circuit, set forth the standard that a HOLISTIC approach is required by the district court, because it may be "that the sum of all parts is greater than the whole".

When congress expanded the compassionate release provision, it did so to allow a court, to reduce a sentence when subsequent circumstances dictate the original sentence no longer complies with the end goal of 18 USC 3553(a), which requires the sentence be SUFFICIENT, but NOT GREATER THAN NECESSARY, which is the case here. BOP's failure to execute Fairlamb's sentence has resulted in his loss of a sentence reduction of 180 days, a reduction he is entitled to as a matter of law, but a reduction he has not received because of BOP's negligence, on top of that he was approved by institution level staff to need and be appropriate for 12 months of RRC placement, that recommendation, was approved by the Institution warden, in part because institution staff recognize BOP's national failure concerning the FSA's earned time credits, only for Fairlamb to be denied RRC in t's entirety, on the basis he is taking a self carry medication. Fairlamb's sentence, has not been executed in the manner in which it should have been, a manner this court believed that it would be carried out by, and as such it has made the sentence far more punitive than this court intended, the added punitive effects, create a sentence that violates 3553(a) because it is NOW GREATER THAN NECESSARY, furthermore it would be inequitable for Fairlamb to serve the remainder of his sentence, based on these circumstances.

Fairlamb also asserts, that a reduction is also warranted under the factors of 3553(a), certainly the government cannot argue nor could this court find that Fairlamb's release would pose a danger to the community, as the facts show, he should of already been released, the overall factors weigh heavily in favor of Fairlamb's immediate release.

Fairlamb asks the court to consider the loss of 180 days, by virtue BOP increased his sentence by 6 months, combined with the loss of RRC placement, and grant him immediate release, without added conditions of community confinement, or in the alternative the court grant his release, and placement in added community confinement equal to what he would of

received from BOP, Fairlamb reminds the court, that even if he is granted immediate release, he has at this stage served several additional months in a medium security prison, and as such his debt to this court as it relates to a term of imprisonment should be deemed satisfied. Fairlamb has attached his 2241, with exhibits as well as a Motion for Counsel and supporting Affidavit. For all of these stated reasons, Fairlamb, asks this court to grant his requested relief. He asks for Justice Tempered with Mercy.

Respectfully Submitted,

SCOTT FAIRLAMB

MOTION TO APPOINT COUNSEL IN CONNNECTION  
WITH A MOTION FOR A SENTENCE REDUCTION

Now comes the petitioner, Scott Fairlamb, pro se, respectfully requesting this Honorable Court appoint him counsel to represent him on his motion for compassionate release/ sentence reduction under 18 USC 3582(c)(1)(a). Fairlamb has presented these pleadings with the aid of another inmate (jailhouse lawyer) and he is not familiar with the law, and given the constant change of the Covid status between yellow and NOW red, access to inmate assistance is not a guarantee, nor is it a substitute for competent counsel. Fairlamb's situation is very urgent, and is a matter categorized as a matter of first impression. Additionally, both Fairlamb's factual situation and the legal landscape is very fluid, and the appointment of counsel is necessary to ensure his claims, are properly presented, in both fact and law. Fairlamb is confined in a facility that has just upgraded to "COVID RED STATUS" further restricting his movement and access to legal resources and inmate legal aids. Furthermore, the appointment of Counsel is allowed under 18 U.S.C. 3006(A) when it serves the interest of Justice, here it not only serves the interest of justice, it promotes fundamental fairness and fair play, and it also allows the public's continued trust and confidence in our nations criminal justice system. For all these reasons Fairlamb asks that this court grant his request and appoint him counsel.

MEMORANDUM IN SUPPORT OF THE MOVANTS PETITION  
PURSUANT TO 28 U.S.C. 2241

Now comes the movant, Scott Fairlamb, pro se, respectfully requesting this Honorable Court issue a court order directing the Federal Bureau of Prisons, to properly calculate and apply his First Step Act Earned Time Credits (Here in after "FSA" and "ETC"), and that they also resubmit his RRC packet, and BOP staff place him in RRC in accordance with BOP policy. As further explained, BOP staff have improperly handled Fairlamb's FSA status, ETC calculation, and the application of his ETC's. They also improperly denied him RRC placement, after his full approval at the institution level, stating he is medically inappropriate, based on the fact he is prescribed a self carry medication related to his cancer treatment. Accordingly Fairlamb addresses the issue in turn.

EXHAUSTION OF THE ADMINISTRATIVE REMEDIES MUST BE WAIVED

The exhaustion requirements under 28 U.S.C. 2241, are a judicially created requirement, meaning this court has the authority to waive them, and address the claims on the merits. Fairlamb asks this court to do just that, and submits more than 40 documents in support of his request for a waiver, showing his continued efforts to resolve these matters at the institution level, these documents go back to March 28th, 2022, addressing BOP's improper classification of Fairlamb's eligibility for the FSA. (Indicating BOP staff having to contact Grand Prairie, which is another term used for the DSCC Designation and Sentence Computation Center) It is well established that the DSCC is the controlling department/division of the Bureau of Prisons to make the final determinations concerning the calculation and application of FSA ETC's. Fairlamb asks that this court waive exhaustion based upon futility, and a clear violation of his statutory right to have his ETC's properly calculated and applied, and failure to do so also subjects him to possible irreparable harm, See *Larue v. Adams*, No. 1:04-cr-0396, 2006 U.S. Dist. LEXIS 38934 (S.D.W. Va. June 12th, 2006) Also a District Court in the 9th Circuit, recently addressed a similar situation, and found a waiver of the exhaustion requirement was warranted, See

Exh. G-2

Jones v. Engleman, 2022 U.S. Dist. LEXIS 185635 (Sept. 7th 2022 Central District of Cal.) Holding when an agency has acted upon a predetermination to the issue before it, constitutes a waiver of the exhaustion requirement as futile, as the individual's interest weigh heavily against requiring exhaustion. See Houghton v. Shafer, 392 U.S. 639, U.S. 639,640, 88 S. Ct. 2119, 20 L. Ed 2d 1319 (1968) and also Fraley v. U.S. Bureau of Prisons, 1F.3d 924,925(9th Cir. 1993) Waiving exhaustion as futile when the initial request for administrative remedy was denied based on BOP policy. Here not only are the decisions being made by BOP policy, (all be it the improper application of policy) the decisions are all being made by the DSCC, so any further appeals, to Region or Central office, would only be those offices providing the same answer over and over again, which all derive from the DSCC. Accordingly, requiring exhaustion, would not only be a waist of Judicial resources, given the fact by the time a decision is made all the parties will have briefed the issue, it would also be a waste of BOP's resources, basically just asking the DSCC the same question 4 times. Fairlamb has made more than a substantial effort to resolve these matters with BOP staff, and at this stage a waiver of the exhaustion requirement is warranted.

#### RELEVANT FACTUAL BACKGROUND IN RELATION TO THE FSA EARNED TIME CREDITS

Since Fairlamb's arrival into BOP Custody in February of 2022, BOP improperly help him to ineligible, because somehow his offense of conviction was coded incorrectly. They have also failed to calculate the credits correctly, only identifying 30 days of credit (which has disappeared).

1. Since his arrival in BOP custody Fairlamb, at all times has been "LOW" risk recidivism, this afford him 15 days for every 30 days of successful programing or participating in "productive activities"
2. At all times since his arrival Fairlamb has participated in EBRR (Evidence Based Recidivism Reduction) programs, and productive activities.
3. After working with staff to fix the coding issue, he was then held ineligible based on "refuse" status, that was later identified as a nationwide problem, where BOP was improperly deeming inmates ineligible over surveys not being completed, and inmates were given until December 31st, 2022 to take the necessary survey's which Fairlamb did.
4. Subsequently, they now have held Fairlamb in "REFUSE" status for RDAP, yet Fairlamb does not actually have a need for RDAP, it was not recommended by his sentencing court, Fairlamb VOLUNTEERED TO BE REVIEWED FOR THE PROGRAM. During that volunteer process, staff incorrectly placed him in a "refuse" status instead of "not interested" and as such has caused him to be deprived of the proper calculation and application of 180 days of ETC's. Fairlamb, NEVER had a NEED for RDAP, and an inmate can only be put in "REFUSE" if he declines to take a program recommended which if was required would show as an FSA NEED, to which Fairlamb does not have. The required program is a mandatory drug education program to which Fairlamb is on the waiting list for, as such BOP staff holding him in "REFUSE" status for RDAP is improper, and violates BOP policy, and the First Step Act.

#### FACTUAL BACKGROUND CONCERNING DENIAL OF RRC PLACEMENT

Fairlamb provides substantial exhibits to support his efforts to exhaust this issue, and asserts as to his RRC placement the following.

1. That he was screened by institution staff, and he was approved for RRC placement by the institution level staff.

(2)

Exh. 6-3

2. Unit team made a recommendation for a full 12 months of RRC placement.
3. The 12 month recommendation was supported by the Institution Warden. (Warden Kelly)
4. Somewhere, in the RRC final approval stage (outside the institution) an administrative decision was made to hold Fairlamb, medically inappropriate, based on him being prescribed a self carry cancer medication. This decision was made on the same day a medication change was made by Dr. Carden, the decision was made by Patrick McFarland, denied the RRC placement and set forth Fairlamb was ineligible for direct Home Confinement due to his public safety factor being greatest severity.
5. Fairlamb recently spoke to medical staff, Specifically Dr. Carden, and was advised his relevant levels concerning his cancer (Specifically PH Chromosomes transcript levels decreased from 3.4% to 0.46% ) were at an all time low, that he should be dropped from a care level 3 to a level 2, and that there should be no issue (medically) preventing him from going to the half-way house.

#### FAIRLAMB MEETS THE REQUIREMENTS FOR HIS 180 DAYS OF ETC'S TO BE APPLIED

Under Section 3632(d)(4)(c), he had earned time credits equal to or less than the remainder of his sentence, he has maintained "LOW" risk recidivism for two consecutive periods, as such having been eligible from his first day in BOP Custody, and being low risk recidivism from that same day, as of February 9th, 2023 Fairlamb is entitled to 12 months of ETC's at 15 days per month, for a final total of 180 days. The First Step Act, directs BOP shall, under these circumstances calculate these credits in this manner, and apply them, it is not optional, it's directed by Congress in the FSA, and codified in 28 CFR 523.44

Fairlamb, cannot be held in a REFUSAL status, for a program he volunteered for, in the past prior to the FSA, there would be no adverse effect on an inmate who volunteer's for RDAP, but then later does not take the program, and is placed in a REFUSE status improperly, after the FSA "THE DETAILS MATTER", and the proper category was "NOT INTERESTED", and staff's failure to pay attention to the details, has caused substantial harm to Fairlamb. Just as the court found in Jones v. Engelman, BOP is failing to follow the LAW, and apply the ETC's Fairlamb has earned, and are allowed to be applied.

#### BOP'S FAILURES AND THE ACCARDI DOCTRINE

The established maxim that an agency must adhere to it's own rules and regulations, is well established, See Vietnam Veterans v. Sec'y of the Navy, 843 F. 2d, 528, 536 U.S. App. D.C. (D.C. Cir. 1988) it is known as the Accardi Doctrine. Failure to follow it's own rules and regulations is fatal to the deviant action. See Mine Reclaimation Corp. v. FERC, 30 F.3d 1519, 1524, 308 U.S. App. D.C. 152 (D.C. Cir. 1994) Here the BOP (or government) is not adhering to the law under the First Step Act, they have improperly calculated, and failed to apply 180 days of ETC's. In the context of Due process not only is there a liberty interest in this situation, but the right of equal protection to have the law applied to Fairlamb properly as it is to everyone else. Equally Due process recognizes the right possessed by every citizen to require the government according to the law. See Fairchild v. Hughes, 258 U.S. 126,129-30, 66 L. ed 499, 42 S. Ct. 274(1922) Thus Fairlamb has the

Exhibit G-11

right for the FSA to be applied to him properly, that being said, BOP must properly calculate the days which amounts to 180 days, and apply them.

RRC Placement-- Equally Fairlamb has the right to be treated equally to all other inmates, thus that means policy must be applied properly to him, as it is properly applied to every other inmate, that being the case, his being deemed medically inappropriate for RRC placement, based upon being prescribed a self carry medication, violates the policy, and also constitutes abuse of discretion. The denial of the RRC placement, is based on the misapplication of BOP policy, and this court has the authority to order BOP, to properly apply the policy, which if done properly would result in Fairlamb's immediate placement in RRC custody.

Fairlamb understands he has no constitutional right to an RRC period, but he does have a due process right, that BOP follow it's policy equally, and apply it properly to him as they apply it properly to every other inmate. Here this is not the case, and also warrants a finding of abuse of discretion, as there maybe situations where an inmate is properly deemed medically inappropriate, but this is not one of them.

CONCLUSION

Fairlamb asks that this court find, BOP is violating his rights, that the court order the proper calculation of his ETC's be done (which is 180 days) and these days be applied to his sentence immediately, and that the court further order the resubmission of his RRC placement packet, to be reconsidered and to have the proper policy provisions applied, to which if done correctly, commands his placement in RRC custody without further delay. Staff recognized the errors concerning Fairlamb's FSA credits, this was in part, the basis for the full 12 month recommendation in RRC placement, at this stage Fairlamb has not received either one of these things, justice is not being served, accordingly Fairlamb seeks equity to it's fullest extent at this time, by the court granting his request as soon as possible.

Respectfully

Scott Fairlamb

EXHIBIT COVER SHEET WITH BRIEF SUMMARIES

Please be advised, I have divided the exhibits into two primary categories, FSA and RRC, for the courts convenience and to ensure a clear presentation to the court. I have organized primarily in chronological order, except for a few documents I added on after preparing them initially. The exhibits are labeled in the upper right corner. Please also be advised that the issue's are intertwined, and all of the exhibits should be considered as needed in support of both claims.

FSA EXHIBITS

FSA Ex. #'s 1 & 2 : Provide a copy of Fairlamb's current custody classification. \*\*Noteworthy Fairlamb's security total is 11, which is minimum custody, yet he has been confined in a medium security prison since his arrival into BOP custody.

FSA Ex. #3 : The last answer he received concerning all the issue's surrounding BOP's failure to properly calculate and apply his FSA ETC's.

FSA Ex. #4 & 5 : Provides in October 2022, Fairlamb was held eligible to earn and apply the ETC's, although the number of days is incorrect, he was eligible in October.

FSA Ex. # 6, 7, and 8 : Provide more evidence of Fairlamb's efforts to resolve these matters.

FSA Ex. 9 & 10 : An earlier computation sheet showing Fairlamb correct status as ELIGIBLE, under the FSA, although the calculation of days is incorrect.

FSA Ex. 11-21 : Further provide proof that BOP has improperly applied the FSA to Fairlamb since his arrival into BOP custody.

FSA Ex. 22-25 : Are informative documents concerning the FSA provisions and policies.

\*\*\*It is more than evident Fairlamb has taken substantial efforts to resolve these issue,s and that BOP has failed him since DAY 1.

RRC EXHIBITS

RRC 1 & 2 : Provide that Fairlamb is Low Risk Recidivism, and has been since his arrival into BOP Custody, in Feb. 2022, which provides a period of 12 months at LOW risk which provides 15 days per month totaling 180 days.

RRC 3-11 : Provide proof of Fairlamb's extensive efforts to also resolve this issue with institution staff.

RRC 12 : Provides proof that Unit team recommended the maximum 12 month period of RRC placement.

Note: Please be Advised- Exhibit mark with A G = are General Exhibits in support (1) of the overall claims.

Request for Administrative Remedy  
Part B - Response

---

---

Admin Remedy Number: 1139372 F1

---

---

This is in response to your Request for Administrative Remedy received in my office, wherein you request First Step Act credit calculations for programs completed.

According to FSA guidelines, you are being credited for the number of days you are in "programming status" and not the number of classes you have taken. Additionally, you cannot earn time credits if you are in "refuse" status for FRP or on any of the Needs Assessment surveys on TRULINCS. Records indicate you did not complete the last survey until August 24, 2022; therefore, you did not earn additional time credits until after that date. While there has been some confusion and conflicting information about FSA guidelines, appropriate steps are being taken to prevent this in the future.

Your Case Manager did request extra time at the halfway house for you and you are currently waiting for an RRC release date.

If you are dissatisfied with this response, you may appeal to the Regional Director, Federal Bureau of Prisons, Mid-Atlantic Regional Office, 302 Sentinel Drive, Suite 200, Annapolis Junction, MD 20701. Your appeal must be received in the Regional Office within 20 calendar days from the date of this response.

DATE: September 15, 2022

Mr. Fairlamb, in response to your BP-8 regarding Federal Time Credits applied to your Sentence Computation, please see the rationale below.

According to the FSA guidelines, you are being credited for the number of days you are in "programming status" and not the number of classes you are taking. You received 30 days credit which is why your release date changed by 30 days. Your release date will not change again for the following reason;

"Eligible inmates will continue to earn FTCs toward early release until they have accumulated 365 days OR are 18 months from their release date, whichever happens first. At this point, their release date becomes fixed, and all additional credit is applied toward RRC/HC placement."

This information came out after I processed your RRC referral. Once your referral is sent to the RRM office, I will request additional days at the RRC based on the number of days you were in programming status after you hit the 18 month mark.

I hope this addresses your concerns. If you are not satisfied with this response, please continue to follow the administrative remedy process.

- WHAT HAPPENED TO 15/30 DAYS FOR LOW RECIDIVISM ?

MEMORANDUM FOR THOMAS J. SCARANTINO, COMPLEX WARDEN  
FCC BUTNER

*Patrick McFarland*

FROM: P. McFarland, Residential Reentry Manager  
New York Residential Reentry Management Office *NT?*

SUBJECT: RRC Denial  
FAIRLAMB, SCOTT 26840-509

This memorandum is to advise you that the requested RRC placement for the above mentioned inmate has been denied due to medical reasons. Inmate Fairlamb is not medically appropriate for RRC. He is currently on an active treatment plan with chemotherapy and just had medication changed. The medical staff will need to address the pending consults and complete oncology workup/treatment prior to transfer to RRC/HC consideration. RRCs have no medical staff and medical needs such as this cannot be met in RRC. Home confinement would have to be considered for an inmate with active cancer treatment with a social worker plan and detailed availability of care, transportation and other medical care needs associated with cancer treatment. The inmate currently has a PSF of Greater Severity and is not eligible for placement on HC.

If you have any additional concerns please contact me, at

## Inmate Message

### First Step Act Time Credits Calculation

- In January 2022, the federal regulations were published describing how First Step Act time credits (FTCs) are earned and applied. BOP used this guidance to calculate FTCs, and more recently an automated calculator was implemented.
- When this automation happened, some of you may have noticed your time credit balance decreased. The primary reasons for this change are because some inmates did not complete needs assessments and/or declined programs.
- To assist inmates in addressing these issues, Unit Team staff will receive rosters identifying the individuals who lost credit.
- **A grace period will be available until December 31, 2022, to allow you the opportunity to complete all needs assessments or address any declined programs.** During this period, the agency will work to assist all inmates in completing their needs assessments, and if completed by December 31, 2022, you will earn available FTCs.
- Needs assessments will be reissued during this time period to inmates with unassessed needs. In addition, any decline codes in place up to December 31, 2022, will not result in an inmate being placed in non-earning status. The BOP will work with inmates to develop a new plan if you have program decline codes and will only withhold if an inmate again declines to participate in a recommended program.
- **Beginning January 1, 2023, full automation will begin, and any incomplete needs assessments or any declined to participate codes will lead to you not earning FTCs in accordance with the federal regulations.**
- Failure to resolve these issues by the deadline will result in inmates being ineligible to earn or apply the time credits earned when the full auto-calculation resumes (and accounts for program declines and missing needs assessments).
- Three additional changes are being made to how credits are calculated:
  - First, you will soon be able to see all potential FTC you may earn over the course of your sentence. This number is only an estimate; it is not a guarantee and may change depending on your

**Inmate Message - Federal Time Credits (FTC)  
Auto-Calculation Launches**

FSA # 24

Recently, the Bureau has launched the Federal Time Credits (FTCs) auto-calculation application. All eligible inmates will be reviewed regardless of PATTERN risk level release date, and credits will be applied consistent with the final rules language and implementing text.

As a reminder, the unit team will determine an inmate's eligibility to earn FTCs based on the current conviction and prior criminal convictions.

The earning of FTCs is based on "earning status," and NOT participation and/or completion of individual programs. **Inmates who refuse or fail to complete any portion of the needs assessment and/or refuse or decline any program recommended to address as specific identified need area, is considered "opted out" and will not earn FTCs.**

The following items have been incorporated into the calculation of FTCs:

- While inmates can begin earning time credits starting with the enactment of the statute, the "presumed participation" period only extends from December 21, 2018, through January 14, 2020.
- During the "presumed participation" period and through April 28, 2021, the PATTERN risk level calculated on April 28, 2021 (PATTERN auto-calculation start date), will be used to determine the initial risk level and FTC earning rate.
- During the "presumed participation" period, only those days when the inmate was incarcerated outside the facility, housed in the Special Housing Unit, or on refused/declined status for a pre-FSA programming (e.g., FRP, Drug Education, GED, etc.) will be excluded from successful participation and credit will not be earned.
- From January 15, 2020, forward, all components of the SPARC-13 needs assessment must be complete to be eligible to earn FTCs. Failing to do so is considered "opted out." In other words, if an inmate fails to complete a required survey or declines to enroll in a recommended program which addresses a specific need, the inmate will not be eligible to earn FTCs.
- In order to earn or apply the higher earning rate of 15 days (for every 30 day period of successful EBRR or PA recommended), inmates need a PATTERN level of minimum or low risk or have dropped to a minimum or low risk level and maintained it for two consecutive assessment periods.

### Inmate Message: FTC Auto-Calculation Transition Update

Under the First Step Act of 2018 (FSA), eligible offenders are able to earn and apply time credits toward time off their sentences and/or early placement in halfway house or home confinement. Since January 2022, these credits have been calculated using the interim procedures which included manual calculation and a simplified review for successful participation. Recently, the auto-calculation application was launched. The move to the fully automated process included both the automated calculation of time credits and the review of all requirements related to successful participation. This led to changes in the "eligible to apply" status for some offenders calculated under the interim procedures which impacted community placement dates.

The intention was never to use the auto-calculation application to return inmates to custody who are in halfway houses or home confinement, nor was it intended to delay entry into already approved halfway house or home confinement starting dates. With the issuance of this memorandum, inmates who are currently in Bureau institutions and earning FSA time credits under the interim calculation procedures and also have halfway house or home confinement placement dates will maintain these placement dates pending completion of their Needs Assessments and resolution of programming participation issues.

Offenders who were impacted will be advised of their status and provided an opportunity to correct any open issue. The due date to correct these issues is **Tuesday, November 1, 2022**. **Failure to resolve these open issues will result in an "opt out" status and the loss of eligibility to apply the time credits earned.**

For all other inmates, if you did not complete your Needs Assessments and/or you declined to participate in EBRR programs or Productive Activities recommended based on your identified need areas, you are NOT in earning status nor are you eligible to apply any credit. You will need to review your most recent Needs Assessment worksheet and Program Review Report (team) to identify any Needs Assessments which are in "refuse status" and/or program declines and correct in order to ensure you are able to earn and apply time credits. **Failing to complete the Needs Assessment, including the self-assessment surveys on Trulincs, and/or failing to participate in EBRR programs or Productive Activities recommended based on identified need areas WILL negatively impact your ability to both earn and apply time credits.**

If you are not in earning status due to an incomplete Needs Assessment and/or declining to participating recommended EBRR program or productive activity, you are strongly encouraged to correct your status in order to ensure you are able to benefit from the First Step Act.

AFFIDAVIT OF SCOTT FAIRLAMB

I, Scott Fairlamb, do hereby certify the following information is true and accurate, it is provided under the pains and penalties of perjury, in pursuant to 28 U.S.C 1746.

I assert, that the facts set forth, in the provided petition's are true and accurate, they are expressly incorporated into this affidavit.

In addition I provide the following information.

SINCE ARRIVING AT THE BOP I HAVE BEEN ENROLLED IN EVIDENCE BASED RECIDIVISM REDUCTION PROGRAMS (EBRR) AND PRODUCTIVE ACTIVITIES (PA'S). I HAVE MAINTAINED A LOW RECIDIVISM FOR 12 MONTHS AND HAVE LOWERED MY SECURITY LEVEL 5 POINTS, FROM 16 TO 11. DURING THIS TIME I HAVE ALSO MAINTAINED EMPLOYMENT AS A RECREATION ORDERLY AND NOW CARPENTER IN FACILITIES. WHILE WAITING VERIFICATION OF MY HIGH SCHOOL DIPLOMA I ENROLLED IN BAILY GED CLASSES AND COMPLETED THE PROGRAM JUST DAYS BEFORE VERIFICATION. HOWEVER, ALL OF MY EFFORT AND CONTINUING EDUCATION ARE NOT BEING CREDITED. MY CLEAN CONDUCT, LOW RECIDIVISM, AND PROGRAMMING STATUS MAKE ME MOST QUALIFIED FOR THE 15 DAYS OF FTC PER MONTH VIA THE FIRST STEP DOT. MEDICALLY, MY TREATMENT HAS BEEN WELL BELOW AVERAGE. IN 1 YEAR I HAVE YET TO MEET MY DOCTOR. WE HAVE SPOKEN A TOTAL OF 4 TIMES, OVER THE PHONE. I WAS DENIED RRC PLACEMENT BECAUSE I AM "MEDICALLY INAPPROPRIATE." YET I AM SELF-CARRYING MEDICATIONS, WAS APPROVED FOR RRC PLACEMENT THRU MY HALF-WAY HOUSE MEDICAL ASSESSMENT

IN MAY, WAS ACCEPTED BY THE RRC FACILITY ITSELF, AND HAVE YET TO  
STEP FOOT AT THE FMC. I CURRENTLY BOAST A PH CHROMOSOME TRANSCRIPT  
LEVEL THAT DECREASES FROM 3.4% TO 0.46% IN THE MONTH OF NOVEMBER.  
THE SAME MONTH MY UNJUSTIFIED MEDICATION CHANGE AND THIS DENIAL OF  
RRC PLACEMENT/HOME CONFINEMENT OCCURRED.

YOUR HONOR, I AM NOT ASKING FOR ANYTHING MORE THAN  
WHAT I HAVE ALREADY EARNED, BEEN PROMISED BY THE BOP, AND THIS  
RESERVE. THIS MOVE TO RRC/HC PLACEMENT WOULD ALLOW ME TO RETURN  
TO THE DILIGENT CARE OF MY OWN ONCOLOGIST, DR MOHAMMED CHEADY,  
AT THE CAROL G. SIMON CANCER CENTER WHICH IS JUST MILES FROM  
THE RRC FACILITY AND MY RESIDENCE.

RESPECTFULLY SUBMITTED,

SCOTT FAIRLAMB

Ms.. Long please make Dr. Firozui aware of my Lab result reading on 2-2-2023 which shows that my PH Chromosome Transcript Level DECREASED significantly from 3.4% to 0.46%. His denial of my Care Level adjustment because "my PH Chromosome Transcript Level continues to rise," is false and my medical records support this statement. Please resubmit my Care Level 3 for correction to a Care Level 2. Thank You

SUBJECT: (Briefly state your question or concern and the solution you are requesting. Continue on back, if necessary. Your failure to be specific may result in no action being taken. If necessary, you will be interviewed in order to successfully respond to your request.)

I AM REQUESTING THAT I BE RESUBMITTED FOR RRC PLACEMENT AFTER YESTERDAY'S LAB RESULTS WITH DR. CARSEN AND MS. LONG SHOW THAT MY PH CHROMOSOME TRANSCRIPT LEVEL DECREASED SIGNIFICANTLY FROM 3.4% TO 0.46%. THESE LAB RESULTS ARE FROM NOVEMBER. INSTEAD OF BEING PLACED ON A NEW CHEMID PILL AND BEING TOLD I WAS "MEDICALLY INAPPROPRIATE" FOR RRC PLACEMENT, MEDICAL RECORDS WILL NOW SHOW THAT NOT ONLY WAS A MEDICATION CHANGE NOT JUSTIFIED, BUT THAT I WAS AND STILL AM MEDICALLY APPROPRIATE FOR HALF WAY HOUSE. AS DR. CARSEN STATED, "I SEE NO ISSUE WITH YOU GOING TO A HALF WAY HOUSE."

(Do not write below this line)

DISPOSITION:

Mr. Fairlamb, the FCI 2 medical staff previously stated that you are medically appropriate for RRC placement. The Office of Medical Designations (OMDT) is who denied you. I cannot resubmit due to that reason.

ATTEMPT AT INFORMAL RESOLUTION

(Request for Administrative Remedy)

Bureau of Prisons Program Statement 1330.13, dated 12/22/95, Administrative Remedy Program, requires that inmates shall informally present their complaints to staff and staff attempt to informally resolve an issue before an inmate files a "Request for Administrative Remedy". The staff member must try to resolve the issue informally before the inmate will be given a "Request for Administrative Remedy" form.

To be completed by the Counselor:

Inmate's Name FAIRLAM, SCOTT Reg# 26840-509 Date 1-12-23

Date and time given to inmate: 1/12/23 12:00 pm

To be completed by the Inmate:

1. Nature of Problem: ON NOVEMBER 29TH 2022 I WAS NOTIFIED BY MY CASE MANAGER THAT DESPITE BEING FULLY APPROVED FOR RRC BY ALL DEPARTMENTS AND BY THE RRC ITSELF, THAT I WAS BEING DENIED AS AN ADMINISTRATIVE DECISION DUE TO MY CONCENTRATION. I AM SELF CAREY MEDICATED AND HAVE BEEN SO SINCE DIAGNOSIS IN 2010. FEDERAL STATUTE § 3624 STATES THAT I SHALL BE GIVEN THE MAXIMUM POSSIBLE TIME IN PRE-RELEASE CUSTODY, WHICH IT DEFINES AS EITHER RRC OR HOME CONFINEMENT.

2. State what action or resolution you expect: A FULL CONVERSION OF MY TIME TO HOME CONFINEMENT, EITHER UNDER THE CARES ACT OR THE AUTHORITY GRANTED BY 3624.

To be completed by the Counselor:

- 1. Date & Time received from inmate:

## ATTEMPT AT INFORMAL RESOLUTION

1. NATURE OF PROBLEM - (CONTINUED) - FAILING TO GRANT EITHER OF THESE FORMS OF PRE-RELEASE CUSTODY DUE TO A MEDICAL CONDITION IS DISCRIMINATION. BUTNER MEDICAL STAFF AS WELL AS THE RRC ACCEPTED AND APPROVED ME FOR RRC PLACEMENT. I HAVE NO MEDICAL HOLDS, HAVE NEVER MET WITH ANY DOCTORS, AND HAVE NEVER BEEN TO THE FAC. THERE IS NO REASON MY "TREATMENT PROGRAM" OF A DAILY SELF-MEDICATED SINGLE PILL SHOULD EXCLUDE ME FROM RRC PLACEMENT OR HOME CONFINEMENT. HOWEVER, IF IT IS NOW THE BOP'S POSITION AND DECISION TO KEEP THOSE INMATES WITH CANCER IN PRISON WITH THE ONLY REASON BEING THEIR CANCER, LIKE MYSELF, THEN I RESPECTFULLY REQUEST A FULL CONVERSION OF MY REMAINING TIME TO HOME CONFINEMENT, EITHER UNDER THE CARES ACT OR AUTHORITY GRANTED BY § 3624.

To: Warden Kelly  
Inmate Work Assignment: Rec Orderly PM

As per PS 5050.50, I am requesting Compassionate Release, for the following reasons.

Since arriving in February of 2022 I have been enrolled in programming, maintained employment, lowered my security level from medium to low, maintained low recidivism, and have had no incident reports. As stated by my Case Manager, Ms. Glancy, "Inmate has gained employable work skills through his employment as an orderly in the recreation department as well as in the housing unit." And, "Since arrival, inmate has continuously participated in continuing education classes and FSA classes as recommended by his Case Manager. He has also earned his GED while in custody." However, I never received my full FTC/FSA time credits. As compensation, as per the BP-9 response from your office dated 11-4-22, "Your Case Manager did request extra time at the halfway house for you and you are currently waiting for an RRC release date." I want to thank you Warden Kelly for approving the 12 months of half way house time. But after already being approved thru my half way house medical assessment by the Health Care professionals here at Butner in May, and receiving my half way house acceptance letter and packet dated 11-8-22, I was denied and considered "Medically Inappropriate" for RRC placement.

I am a Care Level 3 who:

1. Is self carry, orally medicated
2. Has had cancer since 2010
3. Has STILL not met with a Doctor, instead has only spoken via speakerphone 3 times.
4. Has never been to the FMC
5. Does not have a medical hold.
6. Would receive better treatment through my Oncologist, Dr. Mohammed Cherry, from the Carol G. Simon Cancer Center in Morristown NJ.

The Kintock Group's half way house medicinal protocol is actually more disciplined than the one I currently have myself on. Upon arrival I would turn over my medication and wake each morning to take my single pill at the medication booth. A single dose, taken orally, just like every day for the last 12 years.

I am not asking for any more than what I deserve and what has already been approved by your medical staff. With your blessing of a 12 month approval of half way house time I was set to leave on 11-20-22.

Warden Kelly please find it in your heart once more. The fact that the only reason keeping me in prison and away from my family this Holiday season is cancer, makes no sense. For the last 2 1/2 years those will illnesses like cancer were released citing compassionate release. How is it now I'm being kept in prison with the sole reason being cancer, diagnosed 12 years ago.

Respectfully,  
Scott Fairlamb

Inmate Work Assignment: pm rec orderly

Hello maam, it was brought to my attention that I am a care level 3 still. I am self carry medicated and have been since 10-10-10. Can you please remove my care level? I have never met with any Dr's while here and maintain good health. In fact, I've only spoken with the Dr twice, on speakerphone, and couldnt tell you his name. Thanks

The nature and circumstances of the offense indicate Mr. Fairlamb is eligible for community corrections participation. There are no extenuating circumstances that would preclude placement. 3. The history and characteristics of the inmate are: He needs Residential Reentry Center placement to assist him with obtaining drug treatment, obtaining employment, and acclimating to the community. With the proper guidance, he should have no problem with his transition into the community. 4. The sentencing court makes no mention of Residential Reentry Center placement. 5. There is no pertinent policy by the Sentencing Commission. As such, Unit Team is requesting a 12 month Residential Reentry Center (RRC) placement.
