Case No. 21-cr-128 (RC)

JOINT STATUS UPDATE

The Government and the defendant William Pope, along with his standby counsel, Nicole Cabbage, met via phone call on April 27, 2023, to discuss the matter of William Pope’s access to discovery. The Government will serve on the defendant a physical copy of those items contained in Global Discovery that are marked “Sensitive,” and those items which have no security designations.

William Pope further hopes to continue to proceed with virtual, rather than in-person, status conferences in this matter. The Government does not take a position on that matter at this time, and defers to the discretion of the Court.

William Pope has reviewed this document prior to filing and confirms its representations.

Respectfully submitted,
