Dear Thomas Fee:

This letter is to inform you that after reviewing medical information provided by the Fire Department of New York City (FDNY), the World Trade Center (WTC) Health Program has certified the following health condition(s) as covered for treatment benefits:

Date of Certification	Condition Category on List of WTC-Related Health Conditions*	Certification Category or Injury
11/14/2019	Cancer	Malignant Neoplasm Of Prostate

* As listed in the James Zadroga 9/11 Health and Compensation Act of 2010 and/or 42 C.F.R. § 88.15

Our records also indicate that you are currently certified for the following health condition(s) as covered for treatment benefits:

Date of Certification	Condition Category on List of WTC-Related Health Conditions*	Certification Category or Injury
7/1/2011	Mental Health	Please Contact your WTC Physician for Specific Information
5/29/2013	Chronic Rhinosinusitis	Upper Respiratory Disease Please Contact your WTC Physician for Specific Information
5/29/2013	Gastroesophageal Reflux Disease (Gerd)	Gastroesophageal Reflux Disease Please Contact your WTC Physician for Specific Information

* As listed in the James Zadroga 9/11 Health and Compensation Act of 2010 and/or 42 C.F.R. § 88.15

The WTC Health Program will only provide payment for medically necessary treatment(s) authorized by your WTC Health Program physician for your certified health condition(s) by a WTC Health Program participating provider.

If you would like more information or believe that a health condition is missing, incorrect, or should be removed, please discuss this with the Fire Department of New York City (FDNY) at 18-999-1878. If the information in this letter is correct, no further action is necessary.
