**JOINT MOTION TO CONTINUE STATUS HEARING  
AND EXCLUDE TIME UNDER THE SPEEDY TRIAL ACT**

The United States, by and through its attorney, the United States Attorney for the District of Columbia, and the defendant, Samuel Fisher, respectfully and jointly move to continue the status hearing scheduled for January 6, 2022, until a date in April, 2022, as the Court’s schedule permits, and to exclude time under the Speedy Trial Act between January 6, 2022, and the next scheduled date. Defense counsel has authorized the government to file this motion on behalf of both parties. In support of this motion, the parties state the following.

As the parties have previously advised the Court, the defendant has a pending case in New York (NY Sup. Ct. Case No. 01085-2021), in which the defendant is charged with felony firearms offenses. The New York charges arose from the execution of a search warrant obtained during the investigation into the defendant’s conduct that underlies the charges in this case. In light of the ongoing litigation in the New York case, which will likely impact the course of litigation of this case, as well as the continuing production of discovery materials (including not only materials from the defendant’s own Federal Bureau of Investigation case file but also materials in the government’s possession related to the events of January 6, 2021, that may be relevant to the defendant’s case), the parties request that this Court continue this case for approximately 90 days, until April, 2022, at which time the parties can further advise the Court as to the status of the case.

Moreover, given the ongoing and voluminous discovery in this case and the pending litigation in New York, the parties submit that the ends of justice served by the requested continuance outweigh the interest of the public and the defendant in a speedy trial, and therefore request that the time between January 6, 2022, and the next hearing date be excluded under the Speedy Trial Act.

A proposed order is attached.

Respectfully submitted,

MATTHEW M. GRAVES
