UNITED STATES OF AMERICA :

TERRY LYNN LINDSEY, :

 Defendant. :

STIPULATION OF THE PARTIES

The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, and the defendant, Terry Lynn Lindsey, with the concurrence of his attorney, agree and stipulate to the following facts. This Stipulation does not constitute an agreement between the parties regarding the defendant's personal knowledge of the facts stated herein.

The Capitol Building and Grounds

By law, the U.S. Capitol, which is located at First Street, SE, in Washington, D.C., is secured twenty-four hours a day by U.S. Capitol Police (USCP). Restrictions around the Capitol include permanent and temporary security barriers and posts manned by USCP. Only authorized people with appropriate identification are allowed access inside the Capitol. At the U.S. Capitol, the building itself has 540 rooms covering 175,170 square feet of ground, roughly four acres. The building is 751 feet long (roughly 228 meters) from north to south and 350 feet wide (106 meters) at its widest point. The U.S. Capitol Visitor Center is 580,000 square feet and is located underground on the east side of the Capitol. On the west side of the Capitol building is the West Front, which includes variety of open concrete spaces, a fountain surrounded by a walkway, two broad staircases, and multiple terraces at each floor. On January 6, 2021, the inaugural stage scaffolding was on the West Front of the Capitol building. On the East Front are three staircases,

porticos on both the House and Senate side, and two large skylights into the Visitor's Center surrounded by a concrete parkway.

On January 6, 2021, the exterior plaza of the U.S. Capitol was closed to members of the public. See Map Outlining Restricted Area on January 6, 2021, attached as Exhibit A. These security barriers included bike racks that were positioned to the north of the U.S. Capitol along Constitution Avenue; to the south of the U.S. Capitol along Independence Avenue; to the west of the U.S. Capitol along First Street on the eastern side of that street; and, on the east side of the U.S. Capitol, between the Capitol Plaza (East Front) and the grassy areas located between the Plaza and First Street. Within the West Front of the Restricted Area there were additional temporary barriers due to preparations and ongoing construction for the Inauguration which was scheduled for January 20, 2021, including green snow fencing and signs stating "Area Closed By order of the United States Capitol Police Board."

On January 6, 2021, the Restricted Area described above and depicted in Exhibit A was a posted, cordoned off, or otherwise restricted area where the Vice President and members of his immediate family were and would be temporarily visiting, and therefore constituted a "restricted building or grounds" as that term is used in Title 18, United States Code, Section 1752(c).

The Certification of the Electoral College Vote

On January 6, 2021, a joint session of the United States Congress convened at the U.S. Capitol. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in both the House and Senate chambers of the Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on Tuesday, November 3, 2020.

On January 6, 2021, the House of Representatives began its session at approximately 12:00 p.m., the Senate began its session at approximately 12:30 p.m., and the two Houses met together at approximately 1:00 p.m. in the House of Representatives chamber to begin the joint session. Vice President Mike Pence was in the Capitol building and presiding over the joint session. At approximately 1:15 p.m., the House and Senate adjourned to their separate chambers for up to two hours to resolve a particular objection.

At approximately 2:12 p.m., Vice President Pence evacuated the Senate chamber, and approximately one minute later the senator who had become the presiding officer in Vice President Pence's absence declared that the Senate would stand in recess. Senators evacuated the Senate chamber.

At approximately 2:15 p.m., Speaker Nancy Pelosi, who was presiding over the House of Representatives, evacuated the House chamber, and approximately fifteen minutes later the representative who had become the presiding officer in her absence declared that the House would stand in recess. Representatives evacuated the House chamber.

The joint session was suspended.

The Senate and House resumed meeting at approximately 8:06 p.m. and 9:02 p.m., respectively. Congress's joint session continued until approximately 3:44 a.m. on January 7, 2021, when it completed the certification of the Electoral College vote.

United States Capitol Police Closed Circuit Video Monitoring

The United States Capitol Police (USCP) operate and maintain closed-circuit video monitoring and recording equipment that captures locations inside and outside of the U.S. Capitol building and on the Capitol grounds. The USCP-controlled video equipment was in good working order on January 6, 2021, and video footage recovered from the cameras and equipment with the

timestamp of January 6, 2021 is footage from January 6, 2021. The events depicted in the video footage are a fair and accurate depiction of the events at the U.S. Capitol on January 6, 2021, the timestamps on the recordings are accurate, and the video footage was not altered or edited in any way. The video footage is authentic in that it is what it purports to be.

Respectfully submitted,
