**MOTION FOR LEAVE TO LATE FILE OPPOSITION TO  
DEFENDANT'S MOTION FOR EARLY TERMINATION OF PROBATION**

The United States, by and through its attorney, the United States Attorney for the District of Columbia, respectfully requests permission to file the attached opposition to Defendant's Motions to Suppress. As grounds for this request, the United States now says:

1. Defense counsel asked the assigned Assistant United States Attorney to whom this case was assigned, who has returned to her duty assignment in the Southern District of Texas, the government's position on the defendant's motion. That AUSA advised defense counsel that the government opposed.

2. The undersigned did not learn of the Court's Order that the government file its response to the Motion until yesterday, October 27, 2023. Upon learning this, the undersigned advised the Deputy Clerk assigned to this Court that the government would file its reply by October 27, 2023.

3. Counsel for the defendant does not oppose the late filing of the Government's opposition.

WHEREFORE, the United States respectfully requests that this motion be granted.

Respectfully submitted,

MATTHEW M. GRAVES  
United States Attorney
