UNITED STATES' UNOPPOSED MOTION FOR EXTENSION OF TIME

The United States of America respectfully submits this motion for an extension of time to file a memorandum in opposition to defendant Leo Brent Bozell IV's motion to dismiss (Dkt No. 33).

At a status hearing on November 16, 2021, the Court ordered that the defendant's motion to dismiss be filed by December 16, 2021; that the government's memorandum in opposition be filed by January 7, 2022; and that the defendant's reply brief be filed by January 21, 2022. The Court also scheduled a status hearing for January 27, 2022. (Minute Order, November 16, 2021.)

A brief extension of time for the government to file its memorandum in opposition, to January 10, 2022, is appropriate. The motion to dismiss is around 45 pages long and raises numerous legal issues. Counsel for the United States was away from his office for a period of time after the motion to dismiss was filed due to a medical issue, and holiday and weather-related issues in Washington, D.C., have caused further delay. A brief extension of three days will cause no prejudice. The defendant has no objection to the requested extension, and agrees that it would be appropriate to also extend the due date for the reply brief by three days.
