

Congratulations on being the '**Stupid Cunt of the Decade**'. You are such a stupid cunt to attack the our nation's Capitol. Our most sacred temple of democracy. All because you want to believe some stupid lying mother-fucking asshole worthless prick of a president who lied all of his fucking life and was a draft dodger and stayed at home to fuck supermodels instead of going to Vietnam. And that's a leader to you!?!?!?. You think any of his worthless fuck family served in the military and sacrificed their lives. You are such a stupid fucking cunt and obviously fucked up in the brain. **YOU ARE A FUCKING IDIOT GULLIBLE FUCKWAD CUNT**,-plain and simple. Obviously, your mother and father were probably siblings to give birth to a stupid cunt like you. If by chance your daughter or sister is pregnant,-please tell them to get an abortion. Last thing we need in this world is stupid cunts like you living in this world.

Well now the juggernaut of the US government is gonna come and get you and that old stupid fucker Trump ain't gonna do nothing for you because you are nothing but some stupid cunt to him! Like you had something in common with a so-called 'billionaire'. He'll go back to fucking whores and porn stars while you're lock up in prison. You'll be some lesbian whore who will get passed around to the guards,-male and female. You'll be lucky if you get less than 30 years in the federal penitentiary. And guess what?! **YOU CAN'T FUCKING VOTE ANYMORE!!!!** you stupid fucking cunt. If Republicans are gonna loose elections it's because their voters are in prison. And you're right about the Feds taking guns away because ... you are **A FELON NOW** and you can't even own a fucking BB gun you stupid cunt! If by chance you do get a hold of a firearm, please please please, take the barrel and put it in your mouth and **PULL THE TRIGGER!!!**
