CONSENT MOTION TO DOCKET REDACTED STATEMENT OF OFFENSE

The United States of America, by and through the United States Attorney for the District of Columbia, respectfully moves for an order to publicly docket a redacted version of the Statement of Offense during the plea hearing set for May 6, 2022.

In support thereof, the government states as follows:

1. The parties are scheduled to enter into a plea agreement on May 6, 2022.
2. The Statement of Offense, which both parties have signed, contains information from the victim’s medical records. To protect the victim’s privacy, the government is requesting that the version of the Statement of Offense filed to the public docket be redacted of information that was obtained from the victim’s medical records.
3. Defense counsel, Nick Wallace, indicated that the defense does not object to the government’s request.

WHEREFORE, the United States respectfully requests that this Court issue an Order directing that the Clerk of the Court publicly docket a redacted version of the Statement of Offense.
