**MOTION FOR PERMISSION TO TRAVEL**

---

Defendant Patrick Stedman, by and through his counsel Rocco C. Cipparone Jr., Esq., hereby moves the Court for permission for Mr. Stedman to travel as indicated below, for medical visit(s).

In support of the motion the defense states:

1. Mr. Stedman and his wife have recently had a newborn son, regarding whom they recently became aware of a medical issue needing consultation by a doctor at Children's Hospital of Philadelphia, 3500 Civic Center Blvd, Buerger Building Floor 9, Philadelphia, PA. The initial consultation is scheduled for January 27, 2023 at 10 am.

2. Mr. Stedman is requesting that the terms of his release be modified to permit him to attend the above-referenced medical appointment for and with his son, and to attend any additional medical visits in Philadelphia that may be scheduled.

3. The government (AUSA Brian Morgan) has advised that it takes no position on this request.

4. It therefore respectfully is requested that Mr. Stedman be permitted to travel to Philadelphia on January 27, 2023 to attend the above-referenced visit, and that the terms of his bail be modified to allow future such travel without the need for a motion each time, but with advance notice to U.S. Pretrial Services of the date, time and location of any such visits.

Respectfully submitted,
