

Accordingly, your client is estimated to have zero criminal history points and your client's Criminal History Category is estimated to be I (the "Estimated Criminal History Category"). Your client acknowledges that after the pre-sentence investigation by the United States Probation Office, a different conclusion regarding your client's criminal convictions and/or criminal history points may be reached and your client's criminal history points may increase or decrease.

C. Estimated Guidelines Range

Based upon the Estimated Offense Level and the Estimated Criminal History Category set forth above, your client's estimated Sentencing Guidelines range is 12 months to 18 months (the "Estimated Guidelines Range"). In addition, the parties agree that, pursuant to U.S.S.G. § 5E1.2, should the Court impose a fine, at Guidelines level 13, the estimated applicable fine range is \$5,500 to \$55,000. Your client reserves the right to ask the Court not to impose any applicable fine.

The parties agree that, solely for the purposes of calculating the applicable range under the Sentencing Guidelines, neither a downward nor upward departure from the Estimated Guidelines Range set forth above is warranted, except the Government reserves the right to request an upward departure pursuant to U.S.S.G. § 3A1.4, n. 4. Except as provided for in the "Reservation of Allocation" section below, the parties also agree that neither party will seek any offense-level calculation different from the Estimated Offense Level calculated above in subsection A. However, the parties are free to argue for a Criminal History Category different from that estimated above in subsection B.

Your client understands and acknowledges that the Estimated Guidelines Range calculated above is not binding on the Probation Office or the Court. Should the Court or Probation Office determine that a guidelines range different from the Estimated Guidelines Range is applicable, that will not be a basis for withdrawal or rescission of this Agreement by either party.

Your client understands and acknowledges that the terms of this section apply only to conduct that occurred before the execution of this Agreement. Should your client commit any conduct after the execution of this Agreement that would form the basis for an increase in your client's base offense level or justify an upward departure (examples of which include, but are not limited to, obstruction of justice, failure to appear for a court proceeding, criminal conduct while pending sentencing, and false statements to law enforcement agents, the probation officer, or the Court), the Government is free under this Agreement to seek an increase in the base offense level based on that post-agreement conduct.

5. Agreement as to Sentencing Allocation

The parties further agree that a sentence within the Estimated Guidelines Range would constitute a reasonable sentence in light of all of the factors set forth in 18 U.S.C. § 3553(a), should such a sentence be subject to appellate review notwithstanding the appeal waiver provided below.
