1

[redacted]

- X Started near "some hotel" in a van with other X officers
- Saw a mass of people walking toward the Capitol
- X Parked a block or 2 from Capitol
X "afternoon"

Background:
X - 6 years MPD
X - Patrol Officer
X - PSA 607 - Goodhope Rd to Penn Ave

X - 1/6 "started early", roughly 5-6am
X - not normal patrol that day — was assigned to CDU

X because [illegible] broadcast on radio, supervisors said so

X drove through crowd to Capitol
X Got out of Van → X helmet, Chin mask
X no shields

X. Hear 1033 over radio "send everybody"
X · not very often does he hear 1033
X · "felt different than anything had heard on radio" before
X · 1033 is highest tear of back up (whereas "Code 2" is lowest)
· "screaming 1033" coming through radio
X - Walked down street toward Capitol
X - people yelling "traitor" on walk to Capitol
X - Started running
X - went past sec. trailer
X - more yelling
X "[illegible]"

2

X First violent encounter: initially just MPD then others
X - had to push people back
X - joined other officers (CDU 64 + others) to form line
X - 1st push was 1st violent encounter
X - risers to the left (grandstands)
X - someone over loud speaker urging "soldiers" to go inside w/him

X [Showed 3D rendering of Capitol]
X - started to right of risers as facing Capitol (West front)
X - when "made our push" moved North to other side of risers

X - Remembers "old lady bleeding", "guy tried to steal baton"

[redacted]

X Show Video 9W6 ([redacted], ~~Old~~ Blue)
- "I remember brown jacket guy"
X - "I think he's the guy who tried to steal my baton. I X distinctly remember" tussling with guy, wrestled to ground,
X - was holding baton in front of body, he grabbed X baton, I twisted it, he fell to ground, I regained X control, got up + moved back to line.
X - ID'd individual in Green jacket grab baton upon seeing video

X Recalled 2 altercations seen in video
- believes he might have been yelling "get back"
X - second altercation was a "crushing push" from Thomas
~~video~~

3

X - [redacted] does not recall specifically telling people to leave the grounds but believes he would have based on normal [redacted] X practices for crowd control. (Physical engagement "push" with verbal command)

X - [redacted] ID'd 16:26:09 his .5.11 "search gloves" + his X magazines + training kit X he personally bought

KV BWC

X 6039 BCMP video X

* and the jacket he was wearing was personally X bought, ID'd velcro patch on wrist of sleeve

X [redacted] agreed almost Identical to his BWC

305X

X Showed additional split screen rendering of same videos with Thomas's words on screen (including BWC + Thomas's personally shot video)
BWC - Leano
9WG - Leano
6MP - KV
X - Did not ID self
X - Second view ID'd self in Thomas's video (first Lt)

303X

X Showed second split screen vid of open source showing Thomas engaging [redacted] Lt
X - ID Leano himself in Lt of officers because of TEAC setup on front of [redacted] kit - Thomas video
X - Again ID'd himself on Thomas's video

X Felt compacted by track capacity
X "Traitor"
X [redacted] Trying to steal baton

X We succeeded slowly but surely, [redacted] there was fighting along the

4

X - flying memory:

X - fighting for "dear cart"
X - tight quarters
X - anxiety of anticipation related to uncertainty of what "rioters" were going to do + so many people
