UNITED STATES DISTRICT AND BANKRUPTCY COURTS  
FOR THE DISTRICT OF COLUMBIA

UNITED STATES OF AMERICA

vs.

KENNETH THOMAS

Civil/Criminal No.: CR 21-552

NOTE FROM JURY

In Instruction No. 20 "assault" is defined as an "intentional attempt or threat to inflict injury." Should we treat the "intentional" requirement as a general or special intent element? In other words, must the defendant intend to ~~do~~ inflict injury, or intend to do the acts that threatened injury?
