Good evening. I have attached the amended exhibit list. There are no new video sources. Consistent with our pending motions, I have included in the 300 series videos that contain existing USCP CCV and/or third-party and Leo Kelly videos. Additionally, some videos include arrow trackers. Additionally, In the 600 series we include the Cellebrite pdf. From that I've specified a few texts. The exhibits are loaded up to USAfx. I look forward to conferencing at 3:30 pm.
