

Dear Court,

I am writing to let you know that I have known the Kelly family for a long time. Even though I do not know Leo really well, my interactions have been very positive.

I have found him to be an upright person with many positive character traits. In fact, I think he would be one of the last people I would think of as someone needing jail time. He is peaceful, kind, helpful, and a hard worker. Jail is for people who are a threat to society. Leo is definitely not a threat to society.
