**CONSENT MOTION TO CONTINUE STATUS HEARING**

Defendant, Corinne Montoni, by and through her attorney, Bernard F. Crane, hereby moves to continue the status conference currently set for September 26, 2022 several days, to either September 28 or 30, 2022. Government counsel concurs in this motion.

When the current date was set, neither counsel was aware that this date is a religious holiday, during which neither counsel for the Government nor counsel for the defense will be available. All parties are available on either proposed date described above. As the presently set hearing is over a month away, no party will suffer any prejudice due to this brief delay. Defendant hereby waives any prejudice which might be caused by this brief delay, and agrees to exclude and toll the time of the delay from that calculated for computation of Speedy Trial Act purposes.

**WHEREFORE**, Defendant requests as follows:

1. That the Court continue the status conference from September 26, 2022 until September 28 or 30, 2022, and
2. That the time be excluded for Speedy Trail Act calculation purposes.

**CERTIFICATE OF SERVICE**

I hereby certify that on May 7, 2021 I electronically filed the foregoing with the Clerk of Court using the CM/ECF system, which will send a notification of such filing to the following (who also received the same in a separate email from counsel):
