The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, respectfully responds to Defendant’s Motion to Modify Conditions of Release (Dkt. 63) as follows: in light of the report from Mr. Brown’s supervising pretrial officer in the Eastern District of Michigan, the government does not object to modifying the conditions of home detention to permit him to participate in “pro-social” activities (as described by his mental health team) without the presence of his mother.

Respectfully submitted,
