v.

**CYNTHIA BALLENGER, and
CHRISTOPHER PRICE,**

Defendants.

Case No. 1:21-cr-00719 (JEB)

**DEFENDANTS' NOTICE OF SUPPLEMENTAL INFORMATION:
ADDITIONAL UPDATE ON THE MEDICAL CONDITION AND
TREATMENT STATUS OF CHRISTOPHER PRICE -FEBRUARY 28, 2024**

Comes now Defendant Cynthia Ballenger (Cynthia Price) and Defendant Christopher Price, (together Defendants or the Prices) by and through undersigned counsel, to provide supplemental information with an additional report regarding health care professionals diagnosing or treating Christopher Price.

Updates from Health Professionals

As reported in yesterday's more fulsome report of health care professionals [ECF 163, 163-1, 163-2, 163-3, 163-4, 163-5, and 163-6], Dr. Salter referred Chris to a colleague to discuss possible arthroscopic surgery of the left shoulder. Dr. Tran reviewed the situation today with the Prices. The Prices have requested a visit report from Dr. Tran for the record, but it may take some time. Defense counsel here states a summary from the understanding of the Prices, based on their notes.

The potential for surgery of the shoulder became complicated because of the potential course of treatment for cancer. Any scheduling of such surgery is on hold. Chris continues with physical therapy regarding the shoulder. Dr. Tran indicated Chris has a slap tear in that shoulder. The next scheduled appointment with Dr. Tran is April 3, 2024, where Dr. Tran will discuss additional options concern steroid injections.

Christopher Price has a separate appointment scheduled with Dr. Liu at Premier Orthopedics on March 27, 2024 to review potential treatment for his neck and spine issues which may involve trigger point therapy.

The Prices ask that the court to take these points into consideration.
