**GOVERNMENT’S SECOND UNOPPOSED  
MOTION FOR CONTINUANCE OF SENTENCING**

The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, respectfully submits this additional Motion for continuance of the sentencing hearing in this matter scheduled for March 7, 2023 and the date for the filing of the government’s sentencing memorandum for a period of approximately 21 days. In support of this Motion, the government represents the following reasons for the continuance request:

1. The date for the filing of the government’s sentencing memorandum was January 27, 2023. However, counsel for the government moved for a continuance because counsel for the government was unable to timely complete and file the sentencing memorandum due to a serious family medical emergency and was on extended sick leave.
2. Counsel for the government requested a continuance of 30 days to file the government’s sentencing memorandum and for the sentencing hearing.
3. The Court granted the initial request for a continuance and extended the date for the filing of the government’s sentencing memorandum until February 27, 2023 and the date for the sentencing hearing until March 20, 2023.
4. Counsel for the government continues to be on extended sick leave due to serious family medical reasons and requires an additional continuance.

5. This is the government's second motion for continuance of the date for the filing of the sentencing memorandum and sentencing hearing by the government.

6. Counsel for the defendant has no objection to this continuance request.

Therefore, the government respectfully requests that the Court grant this second Motion for Continuance of the Sentencing Hearing and the filing of the government's and defendant's sentencing memoranda.

Respectfully submitted,

MATTHEW M. GRAVES
