Dear Judge,

Please pardon Kate. As a young family in these hard times, it is without a doubt that her presence is needed at home. With two young children who need care and running a farm. Her absence would leave a hardship on our lives. She is an amazing woman and mother to which reflects on our family. It would be a great privilege and pleasure to let her stay home and help provide for her family. I truly do not know what I would do without her. She makes me a better person. Please take what I have to say in consideration.

Thank you
