**MOTION FOR EXTENSION OF TIME TO SUBMIT BRIEFING**

The United States of America, through undersigned counsel, hereby moves for a seven-day extension of time to respond to the Court’s order for briefing regarding the impact of the D.C. Circuit’s decision in *United States v. James Little*, No. 22-3018 on this matter. The government requests an extension of the deadline to respond from August 28, 2023 to September 4, 2023, by which time the 14-day deadline to seek an *en banc* rehearing before the D.C. Circuit will have expired and the government will have better developed its position on the impact of *Little* on this matter. The defendant has indicated to the government that they do not oppose this extension.

Respectfully submitted,
