[REDACTED], date of birth (DOB) [REDACTED], was interviewed by FBI Special Agents (SAs) James G Moran Jr and Kathleen Orndorff telephonically. [REDACTED] general counsel, Lisa Walters, was present telephonically for the interview. After being advised of the identity of the interviewing Agent and the nature of the interview, [REDACTED] ([REDACTED]) provided the following information:

[REDACTED] was employed as a U.S. Capitol Police Officer on January 6, 2021. While at work on January 6th, 2021, [REDACTED] was on the West front where he was sprayed multiple times with unknown irritants. [REDACTED] moved to the area of the Crypt and CVC for decontamination. Capitol Police Officers Latoria Adams[ph], Teria Harris[ph] and Kesha Edwards[ph] assisted [REDACTED] with his decontamination. During the decon process [REDACTED] jacket with his name plate and hard badge was removed. [REDACTED] was unsure if he removed the jacket or if the officers helping with his decontamination removed his jacket. After the Capitol riots were over, [REDACTED] could not locate his jacket. [REDACTED] was unsure if he lost his Capitol Police baseball cap. All the Capitol Police baseball caps are department issued, dark navy in color, have a leather strap on the back and the front has the Capitol police emblem.

After [REDACTED] finished decon, officers were alerted to subjects entering the Senate. [REDACTED] along with officers Gibson and Rainey[ph] responded to the Senate Lobby.

At one point during the riots [REDACTED] wrestled with a white heavy set male, put him in zip ties and placed him under arrest. [REDACTED] passed the subject off to another unknown officer and was unsure where the subject was processed.

[Agent Note: SA Moran spoke with [REDACTED] on 7/13/2021 via telephone. [REDACTED] stated he was decontaminated around 12:30PM to 1:30PM on January 6th, 2021.]
