DARRELL FITZGERALD NEELY (NEELY) was at the Capitol on January 6, 2021 taking photos and videos. NEELY is a self-employed photographer/radio host and runs a website called Global Enlightenment Radio Network.

While at the Capitol NEELY recognized four individuals who are associated with Black Lives Matter (BLM) and are from the Pennsylvania area. Neely saw several subjects dressed up like Comic book characters and followed the subjects inside the Capitol. Some of the subjects were dressed up like Uncle Sam, Conquistadors and other outfits. While inside the Capitol NEELY saw subjects taking books and trying to mark up paintings.

While on the steps on the Capitol NEELY noticed a woman dressed up like Pocahontas who was armed with a knife. Pocahontas was disarmed by police shortly after.

While at the Capitol, NEELY recognized Chase LNU, who is a DC Metro Police Officer. At one point NEELY helped carry a DC Metro officer out of the crowd. NEELY had to fit in so not to be called Antifa or BLM.

Person known to NEELY as "K.K" (FNU LNU) has footage from inside the Capitol. While looking at his phone, NEELY stated the video he was looking for was located under the "US Navy Seal Teams" account.

While at the Capitol, NEELY broadcasted live. On the broadcast NEELY talked about how it was a madhouse, insane and the people needed to let the system play out. In one of the videos from NEEYLY's network there is a woman, EMILY LNU, who is from Kentucky or Tennessee. EMILY LNU is part of an organization that was sending people to D.C. EMILY LNU made the comment along the lines of "it's going to be a big mess, we will make sure of it."

At another point during the riots NEELY stood between an officer and the crowd. NEELY didn't like how the crowd was treating the officer. In the crowd was a guy wearing a military outfit, another subject wearing an all black outfit and a third subject dressed like a conquistador.

During the riots NEELY noticed a subject wearing all camo that got beat up by the crowd.
