FOR THE DISTRICT OF COLUMBIA

FILED

DEC 23 2022

Clerk, U.S. District and
Bankruptcy Courts

UNITED STATES OF AMERICA

vs.

Civil/Criminal No.: 22CR60 (BAH)

VINCENT GILLESPIE

NOTE FROM JURY

We have a question on Count Five:

Does an act involving "intent to harm"
also apply to "infliction of bodily harm?"

That is, does he need to have intended
to commit bodily harm to be found guilty?

And does "bodily harm" include emotional trauma?

Update: We are unanimous on three charges.

Should we send these charges /
decisions? (Included here)
