<b>Defendant.</b>	:	

**NOTICE OF FILING OF VIDEO  
PURUSANT TO LOCAL CRIMINAL RULE 49**

The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, hereby notifies the Court of the submission of video exhibits in support of sentencing in the above-captioned matter. As video clips, they are not in a format that readily permits electronic filing on CM/ECF. Video exhibits have been submitted to the Court and made available to defense counsel via the government’s file-sharing site, USAfx. Each exhibit is identified and briefly described below.

- Exhibit 1: Video recording outside the Rotunda Doors from French news agency Bangumi
- Exhibit 2: Surveillance footage showing Montalvo entering the Capitol building
- Exhibit 3: Open-source video from “TheResistance.video”
- Exhibit 4: BWC footage showing Montalvo in hallway near the Speaker’s Lobby

If the Court accepts these proposed video exhibits into evidence, the United States takes the position that the entered exhibit should be released to the public.

Respectfully submitted,

MATTHEW M. GRAVES  
United States Attorney  
D.C. Bar No. 481052
