**UNOPPOSED MOTION TO CONTINUE SENTENCING**

The United States, through undersigned counsel, moves to continue the sentencing hearing set for Thursday, July 20, 2023, in the above-captioned matter. The defendant Rodney Milstreed, by and through his counsel Rammy Barbari and David Benowitz, does not object to the proposed continuance. Counsel for the government has a family obligation in the District of Alaska in the weeks leading up to the current sentencing date that will make it difficult to fully prepare for the hearing. Advance preparation before that family obligation is not possible because the Presentence Investigation report has not yet been completed. In addition, the undersigned will be in Washington, D.C. in September and can appear at the hearing in person at no further government expense. The parties have conferred and are all available September 11, 12, 15, 18, and 22.

Accordingly, the parties request that the Court continue the sentencing hearing to September 11, 12, 15, 18, or 22, or another date convenient to the court.

Respectfully submitted,

MATTHEW M. GRAVES
