Re: Mr. Jeramiah R. Caplinger [REDACTED] CR 21-342 (PLF)
[REDACTED]

Honorable Judge Paul Friedman

My name is Dr. Kashif G. Rasool and Mr. Jeramiah Caplinger is my patient and I certified that he has met the qualifications to apply for the Michigan Medical Marijuana Program.

Jeramiah suffers from lower back, neck pains and stress/anxiety that causes him to lose sleep most nights. Chronic pain is a debilitating medical condition for which medical marijuana is an approved treatment.

Jeramiah Caplinger's use of marijuana for medicinal purposes is preferred to other prescribed medications because of addiction concerns.

Let this be filed.

Respectfully,

Dr. Kashif G. Rasool, MD
Family Medicine
