Re: Support Letter on Behalf of Luis R. Hallon

US District Court Case No.. 22-cr-0217-DLF

Sentencing Hearing Date: April 12, 2023 (10:00 a.m.)

Dear Honorable Judge Friedrich:

My Name is Richard Hallon, father of Mr. Luis Hallon, whom I have known all his life. Luis has always been a trusted compassionate son. He was a good student and a go getter to achieve goals.

Though I was separated from my son for a few years, when I moved to the United States, when my son and I reunited our father – son relationship continued to grow.

An example of my son's kindness was demonstrated a couple of years ago when I transitioned into retirement. I wasn't prepared nor did I know where to settle. Luis opened his home to me, and I lived with him and his family for over a year. This was also during the COVID-19 Pandemic, he made sure that I was safe. During my stay with my son, I noticed what a great dad he is with his children. He home schooled them when schools were closed, prepared their meals and provided them support, while also running the family business.

I feel very proud of my son to see the responsible adult he has become.

Your Honorable Judge Friedrich, I 'd like to thank you for taking the time to read this Support Letter.

Respectfully Yours,

Richard Hallon
