Re: Support Letter on Behalf of Luis R. Hallon
US District Court Case No.. 22-cr-0217-DLF
Sentencing Hearing Date: April 12, 2023 (10:00 a.m.)

Dear Honorable Judge Friedrich:

Wishing this letter finds you well. This letter is to briefly tell you a little about my brother Luis Richard Hallon. Luis is my older brother, who has always been there not just for me but willing to help friends and family. Luis and I arrived to the USA at a very young age, separated from our mom and younger siblings, we came to live with our dad and step-mom. Since dad was always at work, Luis was the one who always looked after me and protected me.

Throughout our young adult lives, we were always there for each other, I knew I could always count on my big brother for advice and support during difficult times. Though now as adults we live in separate States, Luis and I remain in close contact with each other. As Catholic, Luis helps the Community, volunteer his time to help the less fortunate and is very generous with family members. He shared his home with our dad, who lived with Luis and his family for over a year. He also shared his home with his mother-in-law when she needed home care. Luis is a good dad, hardworking, individual to provide for his children. Additionally, Luis is very patient and compassionate when taking care of his two youngest children, who at times need special care and understanding.

Your Honorable Judge Friedrich, I truly appreciate you time and consideration to this Support Letter for my dear brother Luis.

Cordially Yours,

Cecilia Hallon-Rakiewicz
