

**UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA**

UNITED STATES OF AMERICA,

V.

CONLIN WEYER

Defendant.

No. 22-CR-169 JMC

MOTION TO EXCLUDE TIME UNDER THE SPEEDY TRIAL ACT

The United States hereby files this motion to exclude time under the speedy trial act. In support of this motion the United States submits as follows:

1. The Court set a status conference for this case for December 1, 2022. Prior to the setting of this status conference, the parties consented to waive the speedy trial time until this date, and the Court entered an Order waiving speedy trial time.

2. The Court entered a minute order on November 30, 2022, vacating the status conference previously set for December 1, 2022, and noted that a new date for the status conference will be determined at a later time.

3. The minute order entered on November 30, 2022, did not state whether the speedy trial time would be excluded until the new status conference.

4. The parties have been engaged in plea negotiations in this case, and the United States requests this time be excluded so that the parties may continue to engage in meaningful discussions to determine whether this case can be resolved short of trial.

5. Counsel for the United States has tried to reach counsel for the Defendant to get consent for this motion, but at this time, these attempts have been unsuccessful.

6. The United States requests that the Court exclude the time until the new status conference date pursuant to 18 U.S.C. § 3161 et seq., on the basis that the ends of justice served by taking such actions outweigh the best interest of the public and the defendant in a speedy trial pursuant to the factors described in 18 U.S.C. § 3161(h)(7)(A).

Respectfully submitted,
