**MOTION FOR EARLY TERMINATION OF SUPERVISED RELEASE/PROBATION**  
**AND/OR U.S. TRAVEL RESTICTION**

*COMES NOW*, Defendant, Jody Tagaris respectfully requests that this Honorable Court grant *a Motion for Early Termination of Supervised Release/Probation and/or U.S. Travel Restriction*. As ground therefore, Jody Tagaris would state as follows:

**EARLY TERMINATION OF SUPERVISED RELEASE/PROBATION AND/OR U.S. TRAVEL RESTRICTION**

- 1.) I have fully complied with all the conditions and terms of my supervised release/probation, by paying all fines and restitution on the day of my sentencing, as well as completing my community service hours in the first 30 days.
- 2.) I have completed one year presentencing and one year of post sentencing supervised release/probation, with one more year, ending 6/6/2024.
- 3.) I have discussed early termination/probation with my probation officer, Amanda Maghan, in which she stated that she had no problem with an early release due to my compliance with all the terms and conditions, as well as my clean criminal record that I have maintained. She does not feel like I am a threat to society.
- 4.) I willingly acknowledged my part on that horrendous day of January 6, 2021 and cooperated to the best of my ability. I regret going to the Capitol and have apologized for my actions of that day. Even though I did not hurt anyone, damage or steal anything, I violated the law, and I am truly remorseful for that.

5.) I am asking this Honorable Court for a release due to the fact that I am trying to maintain 2 homes, in which I am having a very difficult time trying to maintain my home in NH due to my travel restrictions. I have never violated those restrictions and have always asked for permission to travel, but probation can only grant 30 days at a time. Due to Covid and employee shortages, I have been unable to accomplish any needed repairs in a 30 day window. I am a single, senior female trying to do this on my own and I am seeking a reprieve from the court.

Thank you for your time and consideration!

Respectfully submitted on June 14, 2023
