### EXTERNAL SENDER

Hello Your Honor,

Thank you for moving the sentencing date one week. I would also like to thank you for accepting my Character letter at the 11th hour. Life has dealt me a Whammy with this allergic reaction (Throat closing up), Trachea, and Trachea recovery.

I am Ashamed of my actions on January 6th 2020 when I chose to go through the window and wander around the inside of the U.S. Capitol for 54 minutes. Some actions I have taken to prevent this type of behavior in the future: Social media will be controlled. As of February 15th 2023 I do not see any social media in my future. Distancing myself from the Energy of any type of Rally

Those actions I professed on January 6th 2020 do not profess who I really am. I help people, I have volunteered for everything from War to working at a Christian Summer Camp to working at a non kill dog shelter. In Iraq I purchased a pedal bike for the Iraqi Interpreter because his bike broke. A buddy and I drove through the night on September 13th 2001 to help volunteer in Jersey City to load Tug Boats with supplies for Ground Zero to be a part of the volunteer effort after 9/11 2001.

Thank You  
Jeffery Hubbard
