

**UNITED STATES DISTRICT COURT
FOR THE
DISTRICT OF COLUMBIA**

UNITED STATES)
V.) Case No. 22-cr-166 (MAU)
JOHN GEORGE TODD,)
Defendant.)

**Weekly Status Report Regarding Defendant While on Pre-Trial
Release**

Counsel has communicated with Mr. Todd and Ms. Revels. He continues to do well with his health treatment, medications, and employment. He is gainfully employed on multiple work projects on Mr. and Mrs. Revels' South Carolina property. He has been diligent setting up and attending medical appointments. Yesterday, Mr. Todd had a colonoscopy appointment. Then, he developed some concerning symptoms that led to an emergency room visit last night. He was diagnosed with aspiration pneumonia. He was discharged late at night and was prescribed with the antibiotic clindamycin. Counsel apologizes for being late one day with this report. I wanted to make sure all the information regarding last night's medical symptoms and emergency room visit was included following discharge.
