**Weekly Status Report Regarding Defendant While on Pre-Trial
Release**

Counsel has communicated with Mr. Todd and Ms. Revels. He continues to do well with his health treatment, medications, and employment. He is gainfully employed on multiple work projects on Mr. and Mrs. Revels' South Carolina property. He has been diligent setting up and attending medical appointments. For the Court's information, last Friday, Mr. Todd was with his minister and on the way to meet Ms. Revels since she needed help with the dog at the veterinarian a few minutes down the road when he learned he was having a visit from pre-trial services. He turned around and returned to the visit without incident. Counsel apologizes for being a half hour or hour late with this report. Counsel is in the midst of coordinating travel and having various sensitive communications regarding the personal issue raised in the Kastner case and greatly appreciates the Court's indulgence.
