

UNITED STATES DISTRICT COURT FOR THE DISTRICT OF COLUMBIA

To The Honorable  
Judge Randolph D. Moss

Case No. 21- CR - 725

RE: Letter Of Contrition

Dear Judge Moss,

My name is Luke Faulkner, I live in Blanchester, Ohio in Clinton County.

I own a small concrete flat work company of 20 something years that caters to the Cincinnati and Dayton area mostly. I love my family and am deeply involved in my local Church, and Church Ministries. I am very hBy the situation that I have put myself in.

I take full responsibility for my actions on January, 6 2021.

Your Honor I would like to share with this Court some of my revelations concerning that day. I traveled to D.C. with a friend and a family member, we went to hear what would be the last speech of Donald Trump. We went with no malice or ill intent.

I certainly did not anticipate that it would turn out the way it did.

I did enter the building and I should have known better.

Having said all of that, it absolutely does not excuse my lack of critical thinking and disregard for the safety, respect and well being of others.

I have come to understand that my actions put myself and countless others at great risk and fear. My deepest sense of regret and remorse go to Law Enforcement and the members of our government who were still in the chambers that day.

As I have friends and family who are military and law enforcement, whom I love and are concerned for their safety and well being.

I can only imagine the fear and concern of the families and friends of those in our government and law enforcement as chaos ensued. If I am completely honest your Honor, I feel like one of the dumbest people in the Country for my participation.

I would like to apologize and convey to this Court, The American People, and the members of our government and law enforcement my deepest felt remorse for my part in the chaos of January 6.

I fully accept and respect what ever punishment Your Honor hands down on this day January 20 2023. I would like to thank the Honorable Judge Randolph D Moss for His service and impartiality during all the proceedings I have been party to.

Sincerely, with Heart felt remorse. Luke Faulkner
