Hi Ken - this is Laura, following up about that video we discussed this morning, since I haven't received it yet. Were you able to get it on your computer?

Looks like I sent it to wrong email. Still can't text, too big. Please remind me of email and I'll resend right away

18:54

Could you please send it to San.Francisco@fbi.gov ? Note there is a period in between "San" and "Francisco". Thank you!

18:56

I got the video, thank you Ken, I appreciate it.

You're welcome. Glad I could be of assistance.
