Case No. 22-CR-184 (DLF)

DEFENDANT’S MOTION TO SET A HEARING DATE

Defendant Barry Ramey, by and through counsel, respectfully requests that this Court set a status date in this matter to set a trial date. In support thereof, he states:

1. Mr. Ramey was scheduled to begin trial on October 31, 2022;
2. While Defense Counsel and the Counsel for Government had maintained lines of communication about a potential plea resolution, these conversations became more fruitful closer to the trial date;
3. Counsel for the Government joined in the motion to request that the trial date be continued or removed in an effort to give both sides adequate time to pursue a plea resolution;
4. This Court vacated the earlier trial dates and set a status hearing for January 18, 2022;
5. Plea negotiations did not result in a disposition for the matter;
6. Defendant respectfully requests a new trial date;
7. The Court and all parties involved are available for a status hearing on November 17, 2022, at 11 a.m.

CONCLUSION

WHEREFORE, the Defendant respectfully requests that the Court set a status hearing on

November 17, 2022, at 11 a.m. to elect a new trial date in the above-captioned matter.

Respectfully submitted,
