...AND I WON THE ELECTION. VOTER FRAUD ALL OVER THE COUNTRY!

 **The New York Times** @nytimes  
President Trump received 10.1 million more votes across the U.S. than he received four years ago, including in areas with a majority of Hispanic voters. [nyti.ms/35HqH5P](https://nyti.ms/35HqH5P)

This was a rigged election. No Republican Poll Watchers allowed, voting machine "glitches" all over the place (meaning they got caught cheating!), voting after election ended, and so much more!

**Reuters** @Reuters  
The Nov. 13-17 opinion poll showed that Trump's open defiance of Biden's victory in both the popular vote and Electoral College appears to be affecting the public's confidence in American democracy, especially among Republicans [reut.rs/36LOd0H](https://reut.rs/36LOd0H)

700,000 ballots were not allowed to be viewed in Philadelphia and Pittsburgh which means, based on our great Constitution, we win the State of Pennsylvania!

People are not going to stand for having this Election stolen from them by a privately owned Radical Left company, Dominion, and many other reasons!

 This claim about election fraud is disputed <https://web.archive.org/web/20201114210055/https://twitter.com/realDonaldTrump>

## Why Did I Go to the Capitol Premises?

Figure 43: "So we're going to -- we're going to walk down Pennsylvania Avenue. I love Pennsylvania Avenue. **And we're going to the Capitol!**"

## Why Did I Wear My Motorcycle Gear to The Rally?

1. The President of The United States was suggesting we might be ambushed by Antifa on January 6<sup>th</sup>.
2. I was riding my bicycle from a parking garage through D.C. traffic in the cold weather, to the January 6 rally which required safety gear to help prevent bad injury in case of a wreck with a car.
