

**UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA**

UNITED STATES OF AMERICA

v.

Case No: 1:22-cr-11-RJL-1

ZACHARY DAVID JOHNSON

**UNOPPOSED AMENDED MOTION FOR TEMPORARY MODIFICATION
OF UNITED STATES MAGISTRATE JUDGE'S ORDER OF RELEASE
AND MEMORANDUM OF LAW**

COMES NOW, Zachary David Johnson, the Defendant, by and through undersigned counsel, and hereby moves this Court for an amendment to its Order granting a temporary modification of the Honorable United States Magistrate Judge's Order of Release, specifically to allow Mr. Johnson to have an MRI examination completed on his foot, knee and neck on June 27, 2022 at 5:00 p.m. (instead of June 11, 2022 and June 16, 2022), which will require temporary removal of his GPS monitor for purposes of the MRI examination. As grounds in support thereof, Mr. Johnson would state the following:

1. On January 15, 2022, Mr. Johnson appeared before Honorable United States Magistrate Judge Julie S. Sneed in the District Court, Middle District of Florida, Tampa Division, for a Rule 5(c) proceeding. Mr. Johnson was released on conditions of release and ordered to appear by video for his initial appearance before this Court on January 20, 2022. *See United States v. Zachary David Johnson*, 8:22-mj-1039-JSS, Doc. 8.

2. On January 20, 2022, Mr. Johnson appeared before the Court for an initial appearance and detention hearing. Doc. 14. Conditions of Release were fashioned by Honorable United States Magistrate Judge G. Michael Harvey. Those conditions included, without limitation, home detention which requires Mr. Johnson to be at his residence at all times except for employment, education, religious services, medical, substance abuse, mental health treatment, attorney visits, court appearances, court-ordered obligations, or other activities approved in advance by pretrial services. Doc. 14, page 2. Mr. Johnson is also required to wear a GPS monitor at all times. Doc. 14, page 3.
3. On May 20, 2022, Mr. Johnson was involved in a car accident, which resulted in his foot being broken and pain in his neck and knee.
4. On May 31, 2022, Mr. Johnson filed an Unopposed Motion for Temporary Modification of United States Magistrate Judge's Order of Release and Memorandum of Law to allow Mr. Johnson to temporarily remove the GPS Monitor or have United States Pretrial Services temporarily remove the GPS Monitor for the limited purpose of completing MRI Examinations on June 11, 2022 and June 16, 2022. Doc. 58.
5. On June 2, 2022, the Court granted a temporary modification of the Honorable United States Magistrate Judge's Order of Release to allow Mr. Johnson to temporarily remove the GPS Monitor for the limited purpose of completing MRI Examinations on June 11, 2022 and June 16,

2022. ECF, June 2, 2022, at 10:01 a.m. Mr. Johnson would immediately reinstall the GPS Monitor on his body at the completion of each MRI examination pursuant to his conditions of release. *See id.*
6. On or about June 7, 2022, Mr. Johnson's MRI Examinations were jointly rescheduled for June 27th, 2022 at 5:00 p.m. at Tampa Bay Imaging, 7800 66th St. N., Pinellas Park, Florida. As a result, Mr. Johnson's two MRI examinations have been consolidated into one examination. The date and location, however, have changed.
 7. Therefore, Mr. Johnson respectfully moves the Court to amend its order granting a temporary modification of the Honorable United States Magistrate Judge's Order of Release to allow Mr. Johnson to temporarily remove the GPS Monitor for the limited purpose of completing the MRI Examination on June 27, 2022 at 5:00 p.m. instead of the examinations on June 11, 2022 and June 16, 2022.
 8. Defense Counsel has been in contact with Assistant United States Attorney Nadia Moore, and Assistant United States Attorney Michael Gordon, both representing the United States. Assistant United States Attorney Moore has advised counsel that the Government has no objection regarding the relief sought by Mr. Johnson.

MEMORANDUM OF LAW

Under United States Code 18 U.S.C. § 3142(c)(3), “[t]he judicial officer may at any time amend the order to impose additional or different conditions of release.” Mr. Johnson submits that he has established good cause for an amendment of the Order granting a temporary modification of his current conditions of release.

Wherefore, Mr. Johnson would respectfully move the Court to allow an amendment to its Order granting a temporary modification of his conditions of release such that Mr. Johnson will be able to temporarily remove the GPS Monitor for the limited purpose of completing an MRI Examination on June 27, 2022 at 5:00 p.m. at Tampa Bay Imaging, 7800 66th St. N., Pinellas Park, Florida. As soon as the MRI examination is complete, Mr. Johnson would immediately reinstall the GPS Monitor on his body pursuant to his conditions of release.

Respectfully submitted,
