**Juror Questionnaire**

TO THE PROSPECTIVE JUROR:

You have been selected to serve as a potential juror for a trial that is scheduled to begin with jury selection on February 27, 2022, at 9:30 a.m. The trial will concern the events that occurred at the U.S. Capitol Building on January 6, 2021. You are here today only for one purpose: to fill out a juror questionnaire. The trial and jury selection process will **not** start today. Once you have completed the questionnaire, you are done for the day. You will be given additional instructions before you leave the courtroom about when to return for jury service for this case.

The purpose of this questionnaire is to help the Court and the lawyers determine whether you can serve as a fair and impartial juror. A fair and impartial juror is one who can decide the case based solely on the evidence presented at trial and the instructions about the law that will be given by the Court. The information you provide in response to these questions will be given to the Court and the parties. When you return for the trial itself, you likely will be asked follow-up

Juror Number \_\_\_\_\_

questions about your responses. Filling out the questionnaire now will speed up the process of jury selection.

It is important that you understand that the Court is sensitive to your privacy. The information contained in your answers will be used only by the Court and the parties to select a fair and impartial jury. No other prospective jurors will hear or see your answers. After a jury has been selected, all copies of your responses to this questionnaire will be returned to the Clerk of the Court and kept in confidence. It will only be disclosed, if at all, with names and other identifying information removed. The parties are under Court order to maintain the confidentiality of any information they learn in the course of reviewing this questionnaire.

You are expected to sign the questionnaire with your juror number only. Your answers will have the effect of a statement under oath.

Please follow the instructions below when answering the questionnaire:

Please answer each question below as candidly and completely as you reasonably can.

Please keep in mind that there are no “right” or “wrong” answers, only complete and truthful answers, or incomplete and untruthful answers.

Please fill out the entire questionnaire.

Please write your juror number in the upper right corner of each page of the questionnaire. We ask you to do this in case a page becomes detached from the questionnaire, and we need to match it with the other pages.

Do not leave any questions blank. If a question does not apply to you in any way, write “N/A,” or “not applicable,” rather than leaving the form blank.

If you cannot answer a question because you do not understand it, write “Do not understand” in the space after the question.

If you cannot answer a question because you do not know the answer, write “Do not know” in the space after the question.

Juror Number \_\_\_\_\_

Please use, if available, a pen with black or blue ink. If we cannot read an answer, you may be required to re-write the answer.

Do not write anything on the back of any page.

After you have completed the questionnaire, please “sign” the final page with your juror number and return to a member of the court staff.

In addition, now that you are a prospective juror, you **must** follow the instructions listed below. That means you must follow these instructions between today and when you appear for jury service in this case. The failure to follow these instructions can jeopardize the jury selection process and possibly the fairness of the trial.

### LEGAL PRINCIPLES

An indictment is not evidence. It is a document that sets forth the charges made against the defendant; it is an accusation. It may not be considered as any evidence whatsoever of a defendant's guilt. Can you think of any reason that would interfere with your ability to follow and apply this principle of law? Yes \_\_\_\_ No \_\_\_\_

A defendant is presumed innocent and cannot be found guilty unless the jury, unanimously and based solely on the evidence in this case, finds that the government has proven his guilt beyond a reasonable doubt. The burden of proving guilt rests entirely with the government. The defendant is not required to prove his innocence. Can you think of any reason that would interfere with your ability to follow and apply these principles of law? Yes \_\_\_\_ No \_\_\_\_

The United States has the burden of proving its case beyond a reasonable doubt as to each defendant and each individual count on the indictment separately.

If the United States proves a defendant's guilt beyond a reasonable doubt, the defendant must be found guilty. Can you think of any reason that would interfere with your ability to follow and apply this principle of law? Yes \_\_\_\_ No \_\_\_\_

If the United States fails to prove a defendant's guilt beyond a reasonable doubt, the defendant must be found not guilty. Can you think of any reason that would interfere with your ability to follow and apply this principle of law? Yes \_\_\_\_ No \_\_\_\_

Under the law, a defendant accused of a crime does not have to testify in his or her defense. If a defendant does not testify, the jury may not consider that fact in any way in deciding whether a defendant is guilty. Can you think of any reason that would interfere with your ability to follow and apply this principle of law? Yes \_\_\_\_ No \_\_\_\_

The charges in this case include conspiring to obstruct an official proceeding, destroying government property, theft of government property, obstruction of law enforcement during civil disorder, tampering with documents or proceedings, aiding and abetting, inflicting bodily injury on certain officers using a dangerous weapon, and entering and remaining in a restricted building or grounds. Is there anything about the charges, without more, that might affect your ability to fairly evaluate the evidence or determine whether the government has proven a defendant's guilt beyond a reasonable doubt? Yes \_\_\_\_ No \_\_\_\_

Jurors are the sole judges of the facts. However, the jury must follow the principles of law as instructed by the judge. The jury may not follow some rules of law and ignore others. Even if the jury disagrees or dislikes the rules of law or does not understand the reasons for some of the rules, it is their duty to follow them. Do you have any personal beliefs that would make it difficult to follow the Court's legal instructions? Yes \_\_\_\_ No \_\_\_\_

Juror Number \_\_\_\_\_

### CONCLUDING QUESTIONS

If you were selected to serve on this jury, would you consider and respect the view of other jurors even if their views differed from yours, in accordance with the Court's instructions?

Yes \_\_\_\_ No \_\_\_\_

If, during the course of jury deliberations, a fellow juror should suggest that you disregard the law or the evidence and decide the case on other grounds, would you, as a juror, be able to reject that suggestion and abide by your oath to this Court to decide the case solely on the evidence and law as the Court has instructed you to do, without regard to sympathy, bias, or prejudice?

Yes \_\_\_\_ No \_\_\_\_

Were there any questions in this questionnaire you did not understand? Yes \_\_\_\_ No \_\_\_\_

Is there anything beyond the points covered in this questionnaire that creates a question in your mind as to whether you could be a fair, objective, and impartial juror in this case?

Yes \_\_\_\_ No \_\_\_\_
