GOVERNMENT’S NOTICE REGARDING EXHIBITS FORMALLY MOVED INTO EVIDENCE AT THE CONCLUSION OF THE GOVERNMENT’S CASE AT TRIAL

On January 18, 2023, the government notified the Court and counsel of the following items of evidence that the government had either inadvertently forgotten to move into evidence when the exhibits were identified and/or published during trial, or that were admitted but the record failed to capture their admission:

- Exhibit 1.S.696_18155 (this exhibit was inadvertently read into the record as Exhibit 1.S.69618155);
- Exhibit 1056.7029.0236.E.A (this exhibit was inadvertently read into the record as 1056.7029.0236-0337.E.A);
- Exhibit 1503.1 [FULL] (this exhibit was inadvertently read into the record as Exhibit 1503.1);
- Exhibit 1557 and 9514 (revised to correct spelling of Enrique Tarrío’s name and, on 9514, to amend individual exhibit numbers for slides 54 and 55);
- Exhibits 3050, 3051, 3053-3069, 3071-3076, 3078 (stipulations all parties have recently signed and the government intends to enter as part of the trial record);
- Exhibit 4814 (this exhibit was inadvertently read into the record as 4804);
- Exhibit 6773 (the Court ruled this exhibit was admissible and it was published to the jury, but the record is not clear that the Court formally admitted the exhibit);
