UNITED STATES OF AMERICA	:

v.	:	Case No. 22-mj-189

KALEB DILLARD,	:	
	:	
Defendant.	:	

ORDER

Based upon the representations in the United States’ Unopposed Motion to Continue and to Exclude Time Under the Speedy Trial Act, and upon consideration of the entire record, the Court makes the following findings:

Defendant is charged via complaint with offenses related to crimes that occurred at the United States Capitol on January 6, 2021. The government seeks a continuance based on the following: (1) the United States continues to provide individualized discovery to Defendant, which will include discovery related to evidence seized during the search of defendant’s residence, and continues to provide global discovery generated from other sources; (2) counsel for defendant has stated that he requires additional time to review discovery and potential evidence in this case with defendant in preparation for trial, conduct and complete an independent investigation of the case, and conduct and complete additional legal research including for potential pre-trial motions; and (3) failing successful plea negotiations and taking into account the exercise of due diligence, the defendant and the government will need reasonable time necessary to prepare for trial.

In this case, an ends-of-justice continuance is warranted under 18 U.S.C. § 3161(h)(7)(A) based on the factors described in 18 U.S.C. § 3161(h)(7)(B)(i)(ii) and (iv). In light of the

government's ongoing efforts to discover and provide global discovery, and the reasonable time necessary for effective preparation by all parties taking into account the exercise of due diligence, the failure to grant such a continuance in this proceeding would be likely to make a continuation of this proceeding impossible or result in a miscarriage of justice. Accordingly, the ends of justice served by granting a request for a continuance outweigh the best interest of the public and the defendant in a speedy trial.

Therefore, it is this _____ day of _____, 2022,

ORDERED that the United States' Unopposed Motion to Continue and to Exclude Time Under the Speedy Trial Act and Motion to Continue Status Hearing, are hereby GRANTED; it is further

ORDERED that this proceeding is continued to _____, 2022 at _____; and it is further

ORDERED that the time period from the date of this Order through and including the date of the next hearing is hereby excluded from the computation of time within which trial must commence under the Speedy Trial Act, 18 U.S.C. § 3161 *et seq.*
