Subject: [EXTERNAL] Docs to be served with the court today for SLAUGHTER AND GOTTFRIED - Criminal No. 1:22-cr-00354-RCL -1 and 2.

Good afternoon Mr. Rancourt.

Please see the attached PDF's. I wish for these documents to be served with the court. Currently, I do not have access to the court's case filing system. As you'll see I am requesting this. Please make sure this gets to the proper people at the court as I don't currently have any other way but to send them to you. I would also kindly request a response, so I know you received this email.

Thank you sir,
Richard K. Slaughter
