The United States of America respectfully moves for entry by this Court of an order permitting the disclosure in discovery of materials protected by Federal Rule of Criminal Procedure 6(e). The United States also requests permission to provide in discovery sealed materials, pursuant to the previously entered protective order governing discovery. Finally, the United States requests that any order granting this motion be made applicable to co-defendants who may later be joined.

The United States conferred with counsel for the defendant regarding this motion and defense counsel does not object.
