

UNITED STATES DISTRICT COURT
FOR THE MIDDLE DISTRICT OF FLORIDA
TAMPA DIVISION

UNITED STATES OF AMERICA

Case No.: 8:21-cr-348-SCB-SPF

v.

JEREMY BROWN

**UNITED STATES' RESPONSE TO DEFENDANT'S MOTION IN LIMINE
REGARDING CHILD PORNOGRAPHY**

The United States of America, by and through the undersigned Assistant United States Attorney, hereby files this Response to the Defendant's Motion in Limine #1, regarding child pornography. The United States does not oppose the Defendant's request that the occurrences in the report located at Bates DISC-03459, in which a CHS stated that certain individuals were speculating that the Defendant may have alluded to possessing child pornography during a phone interview, be excluded from evidence at trial.

The undersigned AUSA misunderstood what evidence defense counsel was asking about when asked for a position on this motion, as defense counsel did not provide any citations to the discovery or a copy of the motion. The undersigned AUSA understood defense counsel to be referencing the pornography that is the subject of the United States Notice of Intent to Use Evidence (Doc. 216), which was the only reference to pornography that the undersigned AUSA recalled from the discovery.

The United States does not intend to elicit any testimony or other evidence relating to the CHS's discussions in DISC-03459, and has no objection to a Court

Order to that effect.

Respectfully submitted,

ROGER B. HANDBERG
United States Attorney
